## ACKNOWLEDGEMENT

This dissertation was achieved with kindness and support from several relevant parties. I would like to thank Lampang Rajabhat University for granting me the scholarship for furthering in the Ph.D. program in Thailand and sponsoring me the research development grant in the United States of America (Allan Hancock College Campus of University of California, Santa Barbara, California). I would also like to thank Graduate School, Chiang Mai University, for sponsoring me the research grant at a graduate level.

Thank you for great kindness from Asst. Prof. Dr. Ruetinan Samuttai, my main dissertation advisor, who always gave advice, concepts, recommendations, useful comments, and examining this dissertation with attention from the beginning of its success. Also, my thanks were given to Assoc. Prof. Dr. Somsak Phuvipadawat and Assoc. Prof. Dr. Kietsuda Srisook, my dissertation co-advisors for their knowledge, consultation, advice, and support toward me.

I was grateful to Assoc. Prof. Dr. Weerasak Chomphucome and Assoc. Prof. Uthen Panyo for their time and kindness in being my dissertation examination committee members, including giving advice for the sake of the dissertation completeness.

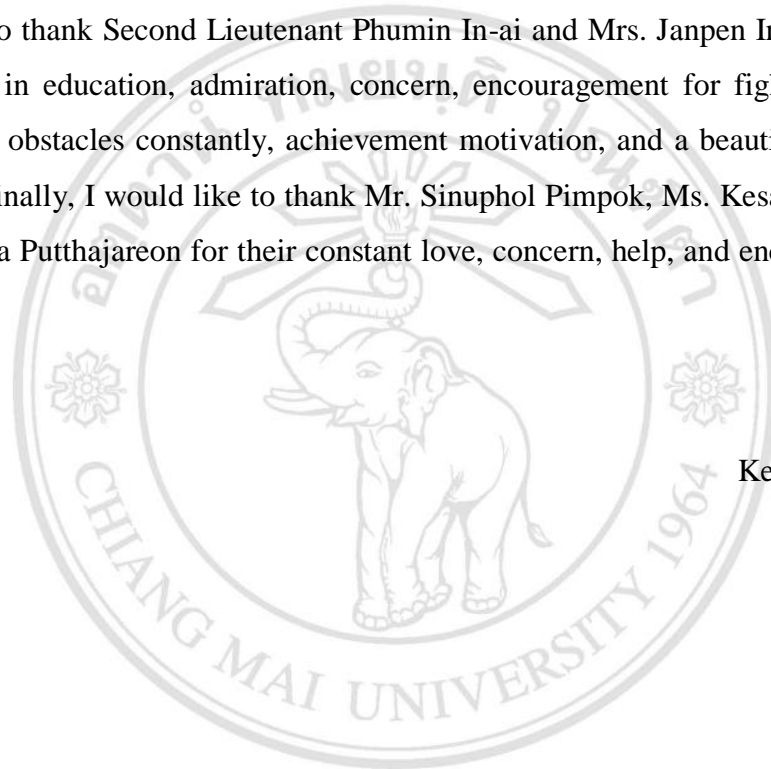

Thank you all instructors in the Doctor of Philosophy Curriculum on Research and Development in Education, Faculty of Education, Chiang Mai University, who equipped me with all knowledge, encouraged, supported, and stimulated me to think, academically train, and give kind advice.

I was thankful to every connoisseur for their kindness and help in examining, correcting, giving recommendations, and giving data and concepts to me during my dissertation construction.

Thank you the administrators, instructors, officers, and student teachers at Lampang Rajabhat University, including the mentor teachers in teacher professional network schools, for their cooperation in gathering the data.

I also would like to thank all of my peers coded 51 at the Research and Development in Education Program for their kind help and encouragement throughout my study at this university.

I would like to thank Second Lieutenant Phumin In-ai and Mrs. Janpen In-ai for giving me a chance in education, admiration, concern, encouragement for fighting with all problems and obstacles constantly, achievement motivation, and a beautiful life to the researcher. Finally, I would like to thank Mr. Sinuphol Pimpok, Ms. Kesarin In-ai, and Ms. Gunpitcha Putthajareon for their constant love, concern, help, and encourage to the researcher.
