ACKNOWLEDGEMENT

The author wishes to express his profoundest gratitude and sincerest appreciation to his advisor of independent study, Dr. Cheryl Traiger, for her kindness on guidance, suggestion and devotion throughout this study.

He also wishes to thank all of the examination committee, Dr. Peter Frank Freeouf and Assoc. Prof. Dr. Saranya Savetamalya, who gave him valuable suggestions in his independent study defense to complete this study accurately. He would like to thank all lecturers and friends in English & Communication program for knowledge, help, inspiration and encouragement.

Finally, he is grateful to his parents as his inspiration to get through all obstacles in his personal and professional life during this study.
