ACKNOWLEDGEMENT

I thank for all those who contributed in the completion of this dissertation. First, I give thanks to God for protection and ability to do the work. I want to express my acknowledgement to Provincial Electricity Authority for financial support granted through PhD. Program. I am grateful for Dr.Pradit Fuangfoo and Mr.Prayad Kruangpradit my beloved bosses for suggestions and all their help. I would like to express my sincere thanks to my thesis advisor, Dr.Tirapot Chandarasupsang for his invaluable help and constant encouragement throughout the course of this research. I would also like to thank committee members, Asst.Prof.Dr.Nopasit Chakpita, Asst.Prof.Dr.Ptitpong Yodmongkol, Dr.Tirapot Chandarasupsang, Dr.Pradit Fuangfoo and Dr.Komsak Meksamoot for brilliant comments and suggestions. I am also grateful to PEA N3 and PEA C1 for providing valuable information, data, and knowledge during this research journey. Special thanks go to Mr.Pakorn Varanusantigul and Mr.Trakan Varanusantigul, who were always willing to help and give their best suggestions. I most gratefully acknowledge my colleagues at PEA Personnel Development Department for all their support throughout the period of this research.

I would like to thank my parents, two elder brothers, and younger sister. They were always supporting me. I thank for my parents for their love, support and encouraging me with their best wishes. I also thank you for my parents in laws, who have always supported me. Finally, I would like to thank my wife, Muttaneeya Cheowchan. She was always there cheering me up and stood by me through the good times and bad.

I would never have been able to finish my dissertation without the guidance of my committee members, help from friends, and support from my family and wife. May the Almighty God richly bless all of you.
