ACKNOWLEDGEMENTS

I wish to express my full gratitude to my advisor, Asst. Prof. Dr. Anuluck Junkum, Department of Parasitology, Faculty of Medicine, Chiang Mai University, Chiang Mai province, Thailand, for her excellent instruction, guidance, constructive, criticism, constant encouragement, and understanding during various stages of this study, which enabled me to complete my research.

I am deeply indebted and grateful to my co-advisors: Assoc. Prof. Dr. Udom Chaithong, Assoc. Prof. Dr. Atchariya Jitpakdi, and Asst. Prof. Dr. Doungrat Riyong, Department of Parasitology, Faculty of Medicine, Chiang Mai University, for their ideas on initiating, supervision, encouragement, guidance, criticism, valuable suggestions, and help throughout this study.

I would like to thank Prof. Dr. Wej Choochote and Assoc. Prof. Dr. Benjawan Pitasawat, Department of Parasitology, Faculty of Medicine, Chiang Mai University, for their kindness in guidance, criticism, valuable suggestions, and help through this study.

I would like to thank Asst. Prof. Dr. Benjawan Tuetun, Department of Food Industry and Service, Faculty of School of Culinary Arts, Rajabhat Suandusit Lampang University, Thailand, for serving as my external examiners.

I wish to express my gratitude to Mr. James Franklin Maxwell, a botanist at the CMU Herbarium, Department of Biology, Faculty of Science; and Miss Wannaree Charoensup, a scientist at Department of Pharmaceutical Science, Faculty of Pharmacy, Chiang Mai University, for taxonomic identification of the plant samples.

I would like to thank the individuals who served as subject volunteers and also staff members of Department of Parasitology, Faculty of Medicine, Chiang Mai University, for their cooperation.

I would like to thank the Diamond Research Grant of the Faculty of Medicine, Chiang Mai University, for financial support in this research study.

Finally, I wish to express all my deepest gratitude to my family, the best friends, including Ms. Daruna Champakaew, Ms. Jitrawadee Intirach, Ms. Roongtawan Muangmoon, and Ms. Arpaporn Chansang, and other friends at Department of Parasitology, Faculty of Medicine, Chiang Mai University, for their encouragement and moral support given throughout this study.

Rukpong Sanghong
