ACKNOWLEDGEMENT

I would like to express my very great appreciation to Prof. Dr. Samlee Mankhetkorn, my research advisor, for his guidance, encouragement, kind, patient, opportunities and moral.

I would also like to extend my thanks to team of Center of Excellent for Molecular Imaging in Department of Radiologic Technology, Faculty of Associated Medical Sciences, Chiang Mai University for their support.

I would like to thank the National Research Universities and the Bureau of Graduate study, Faculty of Associated Medical Sciences, Chiang Mai University for their financial support.

Finally, I wish to thank my parents for their support throughout my study.

Apijit Chaichana
