## Acknowledgement

This dissertation is completed with the highly kindness from my main advisor, Emeritus Professor and Assoc. Prof. Dr. Kiatisuda Srisuk, Dr. Anurak Panyanuwat, Assoc. Prof. Dr. Somsak Phuvipadawat who are co-advisor who kindly give knowledge, suggestion and useful concepts, including giving assistance and moral support for the researcher all the time. The researcher would like to thank and pay high respect to him.

I would like to thank Prof. Dr. Ratana Buason, the Chairperson of the thesis examination committee and Asst. Prof. Dr. Suchart Leetagoon the thesis examination committee who kindly give suggestion to make this dissertation possible and completed.

I would like to thank the instructors who teach in the course of Research and Educational Development who make the researcher have knowledge and ability to apply the research so that it will be useful for education. I also thank the knowledgeable people who devote their valuable time to check my research tools including all administrators and personnel from all special education schools who kindly give good cooperation and facilitate the data gathering process.

I thank the project on strategic network to produce and develop the professor in the Higher Education level under the Office of Higher Education Commission that financially supports the grant for the researcher. This grant will develop the new group of professors in the university.

Finally I would like to thank to my own parents, the Kaewtatip Family and my mother Kamonrat Saekow who will give endlessly support to the researcher all the time. I thank Khun Kasarin Srithana who will always provide help and moral support until the completion of this dissertation.

Anan Kaewtatip
