ACKNOWLEDGEMENT

This thesis had been well completed with the kindness of Assist. Prof. Ruetinan Samuttai, chairperson and advisor, Assoc. Prof. Manus Yodcome, co-advisor, and Lect. Dr. Numpueng Intanate, co-advisor, who had kindly provided advices, guided, and regularly followed up sacrificing their time to correct all the mistakes and weak points along all procedural steps helping revise this thesis making it more complete. The researcher would like to express her high appreciation at this moment.

The researcher would also like to thank every expert who had kindly help examine and provide advises for improving the research tools and model for developing the teaching competency of the physical education teachers.

The researcher would like as well to thank the resource persons and experts who had spent their time to get involved and provide knowledge, demonstrate, as well as advise, follow up, and evaluate the physical education teacher development making it going well. She would also like to thank the school administrators and all physical education teachers who had kindly taken part in the research process as well as provided cooperation in the process of data collection, and facilitated with friendliness making this thesis well accomplished.

Last but not least, the researcher would like to thank all of her family members and others who had provided moral supports for carrying this thesis all along. The researcher would like to take any values or usefulness possibly derived from this thesis as the token to pay back for the kindness of her parents and all teachers who had paved the strong educational foundation onto her.

Pimthong Sungsutthipong
