## ACKNOWLEDGEMENT

This thesis would never have been completed without the help and supports of many people who are gratefully acknowledge here. I would like to express my gratefulness for Assoc. Prof. Dr. Khajornsak Sopajaree and Prof. Dr. Ming-Chun Lu.

I am thankful to the the Department of Environmental Engineering, Chiangmai University in Chiangmai of Thailand and the Department of Environmental Resources Management, Chia-Nan University of Pharmacy and Science in Tainan of Taiwan for the great opportunity for me to do my research.

I would like to thanks my Taiwanese and philipino friends for help to my thesis in term of equipment and the encouragement given to me during the conduct and writing of this research.

Anusorn Gongglom
