ACKNOWLEDGEMENT

The fulfillment of my study has been challenging. I would not achieve without the great support from people around me. First of all, I would like to express my gratitude to Asst. Prof. Dr. Wilailak Saraithong, who has granted me recommendations, and encouragement.

In addition, I am grateful to Assoc. Prof. Suphanee Jancamai, who has devoted her time on my work, encouraged, pushed and given helpful suggestions and comments to assist in the completion of this research.

Moreover, I would like to express my appreciation to Lect. Dr. Bordin Chinda, who has given useful and significant advice to my independent study.

Lastly, I am very thankful to my family and friends who are always beside me and consistently give me their great support.
