## ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my supervisor, Assistant Professor Dr. Phisit Limtrakun for his crucial supervision, encouragement and critical review of manuscript.

Several people must be acknowledged for assistance on various aspects during my study, in particular: Associate Professor Dr. Panjawan Thanasuthipitak, Dr. Boontarika Srithai and Mr. Siwakorn Chimnakphan.

I am sincerely appreciates the Department of Geological Sciences, Faculty of Science, Chiang Mai University for allowing to use basic and advance laboratory instruments. All staff at the Department of Geology, Faculty of Science, Chulalongkorn University and the Gem and Jewelry Institute of Thailand (Public Organization), Bangkok, Thailand are thanked for providing analytical techniques. Graduate students of the Department of Geological Sciences, Faculty of Science, Chiang Mai University are also grateful for their helps, hospitalities, and encouragements.

Finally, I would like to give special thanks to my parents, my sister for their supports and encouragements.
