ACKNOWLEDGEMENTS

I would like to thank with my sincere sense of gratefulness to my advisor, Assist. Prof. Dr. Pitipong Yodmingkol, and Assist. Prof. Dr. Nopasit Chakpitak who offered me the opportunity of my education and provided the continuous useful guidance, understanding, great encouragement and the technical support throughout the period of my Ph.D. studying. I am also deeply appreciative to my co-advisor, Lect. Dr. Napaporn Reeveerakul for their helpful advice, comments, continuous encouragement, understanding and valuable suggestions of this thesis.

I am greatly appreciated Dr. Anchan Chomphupoung and Professor Emeritus Dr. Nithiya Rattanapanone for being my examiner and for their valuable suggestions and comments that strengthened my thesis.

I would like to acknowledge College of Arts, Media and Technology, Chiang Mai University for research facilities.

I would like to thank the community people at the Phrao District, Chiang Mai Province for providing the information and practical local knowledge, and also facilitating my research work. Unforgettably, special thanks to my friends at Phrao district for their help, encouragement, friendship and joyful moment during my study.

Finally, I wish to express my profound gratitude and appreciation to my family for their love, generous standing and loving support throughout my life.
