## ACKNOWLEDGEMENT

This research is a result of hard working in many years. I would like to acknowledge the support, encouragement and advice extended for many people. First, I would like to thank you for the advice and guidance of my advisor, Asst. Prof. Dr. Pitipong Yodmongkol. I also thank Dr.Napaorn Reeeverakul and Assoc.Prof.Dr.Taksina Kunarucks for their guidance and suggestions, especially Assit.Prof.Dr.Nopasit Chakpitak for all his advice and encourage. Without whose knowledge and assistance this study would not have been possible. I appreciate all my case studies; senior tourists, tourism enterprises, migrant creative class, new migrants, who go along with my study. Thank you for the staff of College of Arts, Media and Technology who support my study.

Finally, I would like to thank you my mother, my husband, my lovely daughter Mudmee, my family members, my colleagues at the Social Research Institute, and others who have sacrificed their time for supporting and encouraging me during working on this thesis.
