ACKNOWLEDGMENT

I would like to express my deepest gratitude to my thesis advisor, Dr. Teeraporn Saeheaw, for her valuable advice to complete this significant research. I am extremely grateful for her thoughtful suggestions, guidance, encouragement and support throughout my research and that motivate me to develop my own understanding of this thesis. Without her, this thesis would never have taken shape. I would also like to express my sincere appreciation to all the examining committees namely Dr. Atichart Harncharnchai and Dr. Pachernwaat Srichai for giving important and valuable comments to accomplish this thesis.

I gratefully acknowledge the kindly support from the Graduate School of Chiangmai University and the good cooperation with Rattana Auewittaya School, Fang, Thailand.

Finally, I extend my sincere thanks to my parents and other family members as well as my friends for their continuous help, support and encouragement during my study.
