ACKNOWLEDGEMENT

I am very pleased to acknowledge the extensive support I received in writing this dissertation. My entire committee, Dr. Sirada Jarutakanont, Associate Professor Dr. Ravi Lonkani, Dr. Naruanard Sarapaivanich, Dr. Manatip Tangeakchit and Dr. Pitima Diskulnetivitya, all deserve my gratitude for all their help through the entire process of this dissertation.

I would like to extend a special thanks to Associate Professor Dr. Ravi Lonkani, for believing in this idea before I did, and helping develop it every step of the way. He generously shared his time and expertise, and has been a constant source of advice, encouragement, and constructive criticism. I would like to extend my sincere appreciation to Dr. Naruanard Sarapaivanich and Dr. Manatip Tangeakchit for encouraging and inspiring me throughout my entire Ph.D. years. I am genuinely grateful for all their support.

I would like to thank the Ph.D. program committee, Ph.D. program officer and fellow Ph.D. students at Chiang Mai University, and my colleague at Maejo University. I have benefited greatly from their support and constructive comments.

Finally, I am extremely grateful to my parents for their love, inspiration, and support throughout my graduate career. My brothers are always supportive and understanding.
