## ACKNOWLEDGEMENT

I am very grateful to the Merciful God for providing this opportunity for me in order to complete this thesis. I would like to express my sincere gratitude to Chiang Mai University for fulfill my dream of being a student here.

To the selected hospital (Hospital Tengku Ampuan Afzan, Hospital Raja Permaisuri Bainun, Hospital Taiping), I am extremely obliged for the assistance and support throughout this study. Special thanks to research assistants for helping and support me both on and off water.

To my friends and family members, I am deeply thankful for helping me survive all the anxiety and give encouragement not to give up. Most of all, I am fully indebted to my advisor, Assistant Professor Dr. Nitaya Pinyokham, and my co-advisor, Assistant Professor Dr. Chiraporn Tachaudomdach, for their understanding, support, and encouragement.

Without support and effort from all these special persons, my success in completing this study would not have happened.
