| List of Abbreviations   | q    |
| Chapter 1 Introduction  | 1    |
| 1.1 Background and Research Problem                                     | 1    |
| 1.2 Research Questions  | 7    |
| 1.3 Research Objectives   | 7    |
| 1.4 Operational Definitions   | 8    |
| 1.5 Research Methods  | 9    |
| 1.6 Thesis Organization   | 19   |
| Chapter 2 Theoretical Relevance and Literature Review                   | 22   |
| 2.1 Review of Theories and Concepts                                     | 22   |
| 2.2 Review of Related Studies   | 32   |
| 2.3 Conceptualization of Research                                       | 39   |
| 2.4 Summary   | 41   |
| Chapter 3 The Research Settings: People, Environment, and Its Relations | 42   |
| 3.1 Geography of the Central Coast of Vietnam and Quang Binh Province   | 42   |

## CONTENTS (*cont.*)

|  | Page |
|--|------|
| 3.2 The Local Setting in Village 6, Quang Phong: People, Place, and Culture                                      | 44   |
| 3.3 Socio-Economic Conditions of the Village   | 48   |
| 3.4 Condition of Mangrove Forest and Its Restoration   | 53   |
| 3.5 Problems the Village has faced in the Past and at the Present  | 57   |
| 3.6 Summary  | 59   |
| Chapter 4 Decentralization and Environmental Governance<br>in Mangrove Restoration: A Political Ecology Analysis | 60   |
| 4.1 Land and Forestry Policy in Vietnam  | 60   |
| 4.2 Decentralization in Mangrove Restoration: A Critical Analysis  | 67   |
| 4.3 Environmental Governance and Decentralization: Its Operation<br>in Different Scale                           | 72   |
| 4.4 Local Participation in Mangrove Restoration Activities   | 82   |
| 4.5 Summary  | 88   |
| Chapter 5 Local Environmental Knowledge and Livelihood Strategies  | 90   |
| 5.1 Local Environmental Knowledge  | 90   |
| 5.2 Mangrove Forest Usage as a Situated Knowledge  | 104  |
| 5.3 Participation of Mangrove Restoration as Negotiating Livelihood<br>Strategies                                | 108  |
| 5.4 Summary  | 110  |
| Chapter 6 Conclusion   | 111  |
| 6.1 The major Findings of the Study  | 111  |

|   |     |
|---|-----|
| 6.2 Theoretical Discussions of the Findings         | 114 |
| 6.3 Policy Implications                             | 118 |
| 6.4 Research Challenges and Further Recommendations | 119 |
| Bibliography  | 121 |
| Appendix  | 135 |
| Curriculum Vitae                                    | 143 |
