## ACKNOWLEDGEMENT

I would like to gratefully and sincerely acknowledge various people who have been journeyed with me in years as I have worked on this thesis. The completed thesis comes from the countless support and help from those who always support my work with encouragement and comments to improve it.

First, I would like to thank my thesis supervisor, Asst.Prof.Dr.Anuphak Saosaovaphak and co-supervisor, Asst.Prof.Dr.Chukiat Chaiboonsri. Without their passionate participation, my thesis could not have been successfully conducted. Also, many thanks toward Ms. Thanyaporn Wiriya for all the advised and the inspiration you have been to me through her previous thesis.

Secondly, I owe an enormous debt of gratitude to my mother, Mrs.Amnuay Kumtong, my father, Mr.Pongpan Kumtong and my sister, Ms.Nattanich Kumtong, who have always been a source of encouragement and inspiration to me throughout my life, you all have actively supported me in my determination to find and realize my potential.

Thirdly, special thanks to my very best friend, Ms.Chanyanat Soontornsittirat, for your constant practical and emotional support to my graduate school endeavors.

Lastly, I'd like to show my sincere gratitude for those that trust my works and my abilities to process this thesis without hopelessness. This accomplishment would not have been possible without you all. Thank you.

Ratikorn Kumtong
