## ACKNOWLEDGEMENTS

I would like to express my sincere gratitude to my Independent Study advisor, Assoc. Prof. Dr. Saranya Savetamalya for her valuable assistance and constant encouragement throughout this research. This research would have not been possible without the support from her and I would not have achieved this much.

I am also grateful to the teachers of English Language and Communication for the knowledge they share, visions, and suggestions. In addition, I would like to express special thanks to the members of the Independent Study Committee, Dr. Peter Frank Freeouf and Dr. Cheryl Traiger for their valuable comments and advice.

Finally, I would like to give my sincere thanks to my parents and good friends for their encouragement throughout the period of this study.
