ACKNOWLEDGEMENTS

Thank you to all of my classmates, family, and beloved wife for providing great support while I was conducting this independent study. Also, I would like to thank Hideo Kojima for creating the *Metal Gear* video game franchises which I really love and I use one of them as a topic of study in this independent study. Lastly, I would like to express my gratitude to all the lecturers and staff of the English Department for their support on this independent study and especially to Asst. Prof. Dr. Bordin Chinda who puts a lot of effort into helping the researcher to complete his study.
