STATEMENT OF ORIGINALITY

I hereby certify that, to the best of my knowledge, my thesis does not infringe upon anyone's copyright nor violate any proprietary rights and that any ideas, techniques, quotations, or any other material from the work of other people included in my thesis, published or otherwise, are fully acknowledged in accordance with the standard referencing practices. My main statement of originality is a new approach of Hybrid Urban Planning for Sustainable City Development. If the value, knowledge and ideas of this dissertation can contribute to the readers' reflexivity and the new perspective, I would like to dedicate such goodness to all people who give me their support.

The seal of Chiang Mai University is a circular emblem. It features a central figure of an elephant standing and facing left. Above the elephant's head is a five-pointed star. The entire emblem is enclosed within a circular border. The text "CHIANG MAI UNIVERSITY 1964" is written in English along the bottom arc of the border. Thai script is written along the top arc of the border.
