ACKNOWLEDGEMENT

I offer my most sincere gratitude to my supervisor, Dr. Preeyanuch Honyam, who supported me throughout my project with her patience and knowledge. Her advice and encouragement enabled me to complete this independent study successfully.

This work contains a number of improvement based on comment and suggestion provided by Asst. Prof. Dr. Boorapa Singha, Dr. Kritsada Sangkhanan and Dr. Preeyanuch Honyam. It is my pleasure to express my sincere thanks to them for their generous assistance.
