Abstract in Thai	d
Abstract in English	e
List of Tables	k
List of Figures	p
Chapter 1 Introduction	1
1.1 Background and Significance of Problem	1
1.2 Objectives of Research	5
1.3 Scope of Research	5
1.4 Scope of Content	6
1.5 Definitions	8
1.6 Expected benefits and application	8
Chapter 2 Literature Review	10
2.1 The internal quality assurance of higher education of the educational organization	10
2.2 Thai research system	20
2.3 Research Management Concepts	21
2.4 Model concept and model development	30
2.5 Evaluation theory and model	31
2.6 Theory of Evaluation of assessment	41
2.7 Research and Development Concepts	45
2.8 Concept of research needs assessment	46
2.9 Research ethics	46
2.10 Related Research	51
2.11 Research Framework	54

CONTENTS (CONTINUED)

	Page
Chapter 3 Research Methodology	55
Stage 1: Examining the current condition and the needs in the research management assessment for private universities	58
Stage 2: Analyzing the factors , indicators and assessment criteria relating to the research management for private universities	65
Stage 3: Generating and monitoring the quality of the research management assessment model for private universities	70
Stage 4: Examining the result of research management assessment model for private universities	73
Chapter 4 Data Analysis Result	78
Part 1: Result of examining the current condition and the needs in the research management assessment for private universities	78
Part 2: Result of examining the factors, indicators and criteria relating to the research management for private universities	92
Part 3: Result of generating and monitoring the quality of the research management assessment model for private universities	149
Part 4: Result of examining the implementation of research management assessment model for private universities	166
Chapter 5 Conclusions, Discussions and Recommendations	212
Conclusion and Discussion: Part 1	212
Conclusion and Discussion: Part 2	217
Conclusion and Discussion: Part 3	228
Conclusion and Discussion: Part 4	235
Recommendations	237

LIST OF TABLES

	Page	
Table 2.1	The results of the research evaluation of the quality assurance of higher education of private universities	18
Table 2.2	The result of the synthesized of the concise suggestions of improvement aspects of private universities	20
Table 2.3	The synthesizing the components of the research developmental management system of higher educational universities	28
Table 4.1	Number and percentage of sample group classified by their general information	80
Table 4.2	Mean and the standard deviation of current condition and the needs in the research management for private universities in the sample group classified by the purpose of assessment (n = 40)	82
Table 4.3	Mean and the standard deviation of the current condition and the needs in the research management assessment for private universities of the sample group classified by the subjects of assessment (n = 40)	83
Table 4.4	Mean and the standard deviation of the current condition and the needs in the research management for private universities of the sample group classified by the assessors (n = 40)	85
Table 4.5	Mean and the standard deviation of the current condition and the needs in the research management for private universities of the sample group classified by the assessment method (n = 40)	86
Table 4.6	Mean and the standard deviation of the current condition and the needs in the research management for private universities of the sample group classified by the indicator of assessment (n = 40)	88

LIST OF TABLES (CONTINUED)
