## ACKNOWLEDGEMENT

This research may not be accomplished without any help, suggestion, encouragement and also the support from every person whom it concerns.

First of all, I would like to thank PTT Exploration and Production Public Company Limited, Thailand to provide me a scholarship in Petroleum Geophysics.

I would like to express my respectfully thank to Dr. Niti Mankhemthong and Dr. Diako Hariri Naghadeh, my thesis study advisor, for his suggestion and give me the acknowledgement

Next, I would like to thank Dr. Helmut Duerrast, Geophysics Research Center, PSU, HatYai, Thailand. To give me acknowledge and give me the direction.

And, I would like to thank Khun Anupong Hutawarakorn who is a technical staff in Petroleum Geophysics program, Department of Geological Sciences, CMU for computer and program support.

Finally, I would like to thank all lecturers in Petroleum Geophysics course to provide me any knowledge; especially my classmate in Petroleum Geophysics for their helpfulness, all staffs in the Department for any convenience and all persons whom it may concern.

Essentially, I would like to say to my family to give me the best encouragement, all any support and help from their sincerity all the time.
