## ACKNOWLEDGEMENTS

This thesis is complete with a big help from Dr.Chucheep Phuttaprasert, the main advisor, as well as Co-advisors, Dr.Yongyuth Yaboonthong and Dr.Suwan Mhuentabutr. Without those helpful suggestions and recommendations, this research would have contained many errors and misunderstandings. Also big thanks to teachers and friends in Education Management Major who gave a big support to me to pursue this thesis's goals.

I want to give a big gratitude to Asst.Prof.Dr. Saman Foosaeng and Asst.Prof.Dr.Nathat Assapaporn. They are the honorable people who devoted their precious times to be the examinees of this thesis.

Thanks to those managing directors and teachers of pre-elementary schools in Chiang Mai and Lamphun who gave this thesis valuable information, especially the group of teachers who contributed to the practicing of the model of learning organization. I also gladly appreciate the officers of Pimandek School, Mrs.Pornpimol Pisutthipunpong and co., who adapt the model from this thesis to their school, being a most useful experimental unit of this thesis. To those experts who investigate the quality of any tools used in this thesis, I couldn't be less glad with how valuable your analysis has on this thesis.

My gratefulness is also given to Prof.Dr.Chanita Raksapolmuang due to her critical comments and significant recommendations which could be used immediately and effectively.

Lastly, this thesis couldn't even be started without my most favorite people in this world, my father Inthorn Chaijeena, mother Mananya Chaijeena, the only brother Pichet Chaijeena, and Ms.Yuwakorn Suriya, who contributed to every process of this thesis until it is completed.
