Statement of Originality	n
Chapter 1 Introduction	1
1. Background and Significance of Problem	1
2. Research Questions	6
3. Objectives of Research	6
4. Scope of Research	7
5. Expected benefits and application	10
6. Definitions	10
Chapter 2 Literature Review	17
1. Model Conceptualization and Model Development	19
2. Concepts and Theories of Effective Organization	40
3. Concepts and Theories Related to School Administration	62
4. Concepts of Educational Management for the Visually Impaired Persons	97
5. Manual and Manual's Using	120
6. Related Researches	123
7. Research Framework	134

CONTENTS (CONTINUED)

	Page
Chapter 3 Research Methodology	136
Phase 1: To investigate the conditions, problems, obstacles, and school administration guidelines for the visually impaired persons.	136
Phase 2: To create the effective school administration model for the visually impaired persons.	138
Phase 3: To study the results of using the effective school administration model for the visually impaired persons.	144
Chapter 4 Data Analysis Result	153
Phase 1: Results of investigating the conditions, problems, obstacles, and school administration guidelines for the visually impaired persons.	153
Phase 2: Results of creating the effective school administration model for the visually impaired persons	162
Phase 3: Results of studying the use of the effective school administration model for the visually impaired persons	216
Chapter 5 Conclusions, Discussions and Recommendations	240
Conclusion	242
Discussion	253
Recommendations	264
References	266
