ACKNOWLEDGEMENT

The completion this could not be possible without these kinds persons. I would first like to express my sincere gratitude to Lecturer Dr. Yongyouth Yaboonthong, the thesis advisor, Associate Professor Dr. Chucheepp Buddhaprasert, and Associate Professor Dr. Phetcharee Rupavijetra, Professor Dr. Teera Roonjaroen, Assistant Professor Dr. Sman Fusang, Faculty of Education, Chiang Mai Rajabhat University, Assistant Professor Dr. Janya Chuen Kasem, Faculty of Education, Suan Disit University, who gave advices, assistances, supports and corrected the mistakes throughout the period of study. At this opportunity, I was very appreciated all of lecturers in Department of Educational Administration, Faculty of Education who gave the knowledge, concepts, and guidance for this study and encouragement throughout the study time.

I would also like to thank to all specialists and experts who had kindly provided the advantageous information for this thesis. In addition, I had also appreciated director of Special Education Bureau as well as administrators who provided educational management for disabilities, school administrators who provided inclusive classroom, and administrators of special education including government teachers and school personnel as sample groups who were facilitators and key informants in this study very well.

Lastly, this thesis would not be able to succeed without those teachers and personnel of Northern Region School for the Blind under the Royal Patronage of Her Majesty the Queen, Chiang Mai who had kindly helped and moral supports in the operations till the research was completely achievements.
