## ACKNOWLEDGEMENT

I would like to express my sincere gratitude to my advisor Asst. Prof. Dr. Yupa Thasod for the continuous support of my study, for her patience, motivation and immense knowledge. Her guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my MSc study.

My sincere thanks also goes to Department of Geological Sciences, Chiang Mai University, and the Northeastern Research Institute of Petrified Wood and Mineral Resources, Nakhon Ratchasima Province, and Sirindhorn Museum, Kalasin Province, and the museum of Mae Moh coal mine, Lampang Province, and the museum of Chiang Muan coal mine, Phayao Province for giving access to the laboratory and research facilities.

Last but not the least, I would like to thank my family: my parents and to my sister for supporting me spiritually throughout writing this thesis and my life in general.

Supanut Suntikoon
