## ACKNOWLEDGEMENTS

The accomplishment of this study would not been possible without the support, guidance, and encouragement of my family, scholarship, professors, friends, colleagues, and research informants. I would like to express my deep gratitude and appreciation to all who support and help me throughout my years of study in MA degree.

Most importantly, I would like to express my deep gratuities and remembrance to my beloved father. My ambitious in continuing Master Degree is inspired my father's words and dream of seeing to children to obtain higher education and become useful person for community. Being struggling with opportunity of study as a borderlander in my childhood life, I never thought that I would have a chance to continue higher education. Nevertheless, my father always thought differently and encouraged us to try hard for study. Throughout my study life, I always remember my father's words "Education and Knowledge is the most valuable asset which we can own forever to improve our life and people surrounded us". His aspiration message and dream is the guidance, support, and encouragement upon on me. For now on, I am sure that he is proud of my success in study and thesis writing at somewhere.

My sincere thankful goes to The Consortium of Development Studies in South East Asia (CDSSEA) for granting scholarship and supporting my MA study at Chiang Mai University for 22 months and with the extension. Without the support from CDSSEA, I would not be able to pursue my MA Degree. I would like to express my sincere gratitude to Lect. Dr. Malee Sitthikriengkrai, my thesis advisor, for her support, guidance, encouragement, understanding and motivation throughout my study years. Her guidance helps me all the time of research and writing of this thesis. My sincere thankful goes to Lect. Dr. Chayan Vaddhanaphuti, my thesis co-advisor for his guidance, ideas, immense knowledge, and helpful suggestion in developing the thesis topic and writing. I am also thankful to Dr. Prasert Rangkla for helpful suggestions insightful comments, and questions.

I am thankful to all RCSD professors and lecturers for their precious lectures. Furthermore, I would like to thank you all RCSD staffs for their kind supports throughout my study years. I would like to express my appreciation Mrs. Kanchana Kulpisithicharoen and Mr. Chaiyapat Sukpanon for their support during my study years. I also would like to thank to Mrs. Rungthiwa Hacker and Ms.Muttika Thungsuphuti for their suggestion and support regards to the thesis process and seminars, and conference. I am more than thankful to my research informants who had shared their precious time of interviewing and discussion with me. I would also like to thank my classmates who had share knowledge, discussion, ideas, laughers, and friendships. They had fulfilled my study life in MA course.

Foremost, I would like to express my profound gratitude to my family for providing me with continuous support and encouragement. The thesis accomplishment would not have been possible without my family.
