## ACKNOWLEDGEMENTS

I would like to express my profound gratitude to my advisor, Assistant Professor Dr. Tinakorn Kanyanee for his useful guidance, feedback, great assistance, motivation, and contribution throughout this work. I deeply appreciate a good expectation and a concern through his words and actions. Likewise, I am sincerely grateful to Assistant Professor Dr. Yuthsak Vaneesorn, Associate Professor Dr. Jaroon Jakmune and Assistant Professor Dr. Kritsana Jitmanee for their great suggestion and discussion.

I appreciate a full financial supporting from the Development and Promotion of Science and Technology Talents Project (DPST) and many facilities from Department of Chemistry, Faculty of Science, Chiang Mai University. Moreover, I would like to thank all members of my advisor's laboratory, staffs, officers and friends in Chiang Mai University to provide the wonderful and nice relationships.

Finally, I would like to express some names of my family as Mr. Pisan Somboot, my father; Mrs. Yupin Somboot, my mother is on the sky and Miss Nuttida Pondej, my girlfriend. They have given me love, encouragement, and motivation.
