

## CHAPTER 3

### Objectives

- 1) To investigate the molecular epidemiology of noroviruses and sapoviruses in children hospitalized with diarrhea in Chiang Mai, Thailand from 2015 to 2016.
- 2) To characterize genetic recombination of norovirus strains circulating in Chiang Mai, Thailand during 2005 to 2015.

The seal of Chiang Mai University is a circular emblem. It features an elephant in the center, facing left, with a torch in its trunk. Above the elephant is a sunburst. The seal is surrounded by Thai script at the top and 'CHIANG MAI UNIVERSITY 1964' at the bottom.
