

Occupational Therapy in Community and Population Health Practice

THIRD EDITION

Marjorie E. Scaffa
S. Maggie Reitz

SECTION I

Basic Principles and Relevant Issues 1

Chapter 1

Historical and Philosophical Perspectives of Community and Population Health Practice 1

MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA, AND S. MAGGIE REITZ, PhD, OTR/L, FAOTA

Introduction 2

Historical Perspectives of Community and Population Health Practice 2

Early Community and Prevention Practice 2

Military and the Use of Occupation in Population Health 5

Definitions of Terms 6

Health 6

Community 7

Community-Based Practice 7

Community Health Promotion 7

Community-Level Intervention 7

Community-Centered Initiatives/Interventions 8

Population 8

Population Health 8

Trends and Roles in Community-Based Practice 8

Role Descriptions 9

Characteristics of Effective Community-Based Occupational Therapy Practitioners 10

Paradigm Shifts in Occupational Therapy 11

Community and Population Health Practice Paradigm 14

Looking Ahead 18

Summary 19

Learning Activities 19

Chapter 2

Community and Population Health Concepts 22

MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA

Introduction 22

A Global Perspective: World Health Organization 23

A National Perspective: *Healthy People* 24

Population Health 27

Epidemiology 28

Community Health 29

Health Promotion and Prevention 30

Levels of Prevention 30

Improving Community and Population Health Through Occupation 31

Role of Occupational Therapy in Community and Population Health 33

A Community-Centered Practice Framework 34

Summary 35

Learning Activities 35

- Chapter 3 **Theoretical Frameworks for Community-Based Practice** 38
 M. BETH MERRYMAN, PhD, OTR/L, FAOTA, KENDRA HEATWOLE SHANK, PhD, OTR/L,
 AND S. MAGGIE REITZ, PhD, OTR/L, FAOTA
 Introduction 39
 Selected Occupation-Based Frameworks 40
 Model of Human Occupation 40
 Transactional Perspective of Occupation 41
 Wilcock Doing, Being, Belonging, Becoming 44
 Selected Non-Occupation-Based Frameworks 46
 Social Cognitive Theory 47
 Health Belief Model 48
 Transtheoretical Model of Health Behavior Change 49
 PRECEDE-PROCEED Planning Model 51
 Diffusions of Innovations Model 52
 Summary 53
 Case Study 3-1 Population Approach to Violence Prevention 54
 Case Study 3-2 Individual Approach for Violence Prevention 55
 Learning Activities 55
- Chapter 4 **Population Health: An Occupational Perspective** 59
 CLARE HOCKING, PhD, MHSc(OT), AdvDIPoT, DIPoT,
 AND ANN A. WILCOCK, PhD, BAppScOT, GRADipPH, FCOT
 Introduction 59
 An Overview of Population Health 60
 Occupational Perspective of Population Health 62
 Population Health as Doing, Being, Belonging, and Becoming 63
 Understanding and Promoting Population Health 65
 Doing 65
 Being 65
 Belonging 67
 Becoming 67
 Context 67
 Occupational Justice and Population Health 68
 Summary 69
 Learning Activities 69

SECTION II**Community-Based and Population Health
Program Development** 73

- Chapter 5 **Program Planning and Needs Assessment** 73
 KATHLEEN FLECKY, OTD, OTR/L, JOY D. DOLL, OTD, OTR/L,
 AND MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA
 Introduction 74
 Program Planning Principles and Best Practices 76
 Preplanning 76
 Plan With People 76
 Plan With Data 77
 Plan for Performance 78
 Plan for Priorities 78

<i>Plan for Evaluation</i>	78
<i>Plan for Measurable Outcomes</i>	79
Community Needs Assessment	79
<i>Needs Assessment Process</i>	80
<i>Developing an Occupational Profile</i>	83
<i>Needs Assessment Data Collection</i>	84
<i>Use of Secondary Data</i>	84
Role of Theories	84
Planning With Evidence	88
Summary	89
Case Study Part 1 Suicide Prevention in a Native American Community	90
Learning Activities	91

Chapter 6 Program Design and Implementation 94

JOY D. DOLL, OTD, OTR/L, AND ANNA DOMINA, OTD, OTR/L

Introduction	94
Vision and Mission Statements	95
<i>The INSPIRE Model</i>	96
Implementation Plan	97
<i>Program Goals and Objectives</i>	98
<i>Participant Recruitment</i>	100
<i>Location and Space</i>	100
<i>Supplies and Equipment</i>	102
<i>Staffing and Personnel</i>	102
<i>Compliance With Practice Regulations</i>	103
Team Development	103
Establishing Partnerships	106
Program Management	107
Program Sustainability	107
<i>Developing a Sustainability Plan</i>	109
Summary	110
Case Study Part 2 Suicide Prevention in a Native American Community	110
Learning Activities	111

Chapter 7 Program Evaluation 114

DAVID ENSMINGER, PhD, MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA,
JOY D. DOLL, OTD, OTR/L, MICHELLE MESSER, OTD, OTR/L, BCPR,
AND S. MAGGIE REITZ, PhD, OTR/L, FAOTA

Introduction	114
Types of Program Evaluation	116
Approaches to Program Evaluation	119
Process for Completing Program Evaluation	122
<i>Planning for Program Evaluation</i>	126
<i>Collecting Evaluation Data</i>	126
<i>Disseminating Evaluation Results</i>	128
Ethical Considerations	129
Summary	130
Case Study Part 3 Suicide Prevention in a Native American Community	131
Learning Activities	133

Chapter 8	Program Support: Innovation, Entrepreneurship, and Business Acumen	134
	JOY D. DOLL, OTD, OTR/L, MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA, AND WENDY M. HOLMES, PhD, OTR/L	
	Introduction	134
	Innovation	135
	Occupational Therapy Entrepreneurship	136
	Starting a New Business: The Basics	137
	<i>For-Profit or Nonprofit?</i>	138
	<i>Incorporation Process</i>	138
	Starting a For-Profit Business	139
	Starting a Nonprofit Organization	140
	Developing a Business Plan	141
	<i>Strategic Planning</i>	142
	Financing the Business or Program	143
	<i>Budgeting</i>	143
	<i>Start-Up Costs</i>	144
	<i>Business Loans</i>	144
	<i>Grants</i>	145
	<i>Donations</i>	148
	<i>Fundraising</i>	148
	<i>Sponsorships</i>	150
	<i>Establishing Fees-for-Service</i>	150
	<i>Reimbursement</i>	151
	Summary	151
	Case Study Part 4 Suicide Prevention in a Native American Community	151
	Learning Activities	152

SECTION III **Children and Youth** 153

Chapter 9	Early Intervention Programs	153
	DONNA A. WOOSTER, PhD, OTR/L, BCP, AND ABIGAIL BAXTER, PhD	
	Introduction	154
	Early Intervention Programs	154
	<i>Components of Early Intervention</i>	155
	<i>Identification</i>	155
	<i>Eligibility Determination</i>	155
	<i>Evaluation</i>	155
	<i>Screening</i>	157
	Early Intervention	157
	Individualized Family Service Plan	157
	<i>Team Members</i>	158
	Transition Planning	158
	Occupational Therapy Services in Early Intervention	159
	<i>Occupational Therapy Evaluation</i>	159
	<i>Play Assessments</i>	161
	<i>Sensory Processing and Neuromotor Status</i>	162
	<i>Occupational Therapy Interventions</i>	162
	Summary	172
	Case Study 9-1 Juan	173

Case Study 9-2 Community Screening Program 173

Learning Activities 174

Chapter 10 From School to Community Transition Services 178

JANET DeLANY, DEd, OTR/L, FAOTA, BARBARA DEMCHICK, ScD, OTR/L, FAOTA,
AND LISA CRABTREE, PhD, OTR/L, FAOTA

Introduction 178

Legislation and Funding 179

Occupational Therapy Roles and Services 182

Theoretical Models and Frameworks 183

Person-Environment-Occupational Performance Model 183*Universal Design for Learning* 185

Evaluation Strategies for Transition to Community Participation 185

Person Factors and Skills for Community Participation 185*Environment Factors for Community Participation* 186

Implementation of Transition Services Using Best Practice Principles 187

Strengths-Based Approaches 187*Self-Determination* 187*Social Relationships* 188*Inclusion* 188*Family Involvement* 189

Best Practice Programs 189

Summary 192

Case Study 10-1 Marietta 192

Case Study 10-2 Foster Care Transition Services From School to Community 193

Learning Activities 194

Chapter 11 Promoting Community Inclusion and Integration for Youth 198

AMANDA C. JOZKOWSKI, PhD, OTR/L, AND SARAH ANNE HEWITT, BA

Introduction 198

Occupational Therapy Roles and Services 200

Roles and Scope of Service 200*Theoretical Models and Frameworks* 201

Program Exemplars 203

National and International Programs 203*Occupation-Based Programs* 204*University-Community Partnerships* 205

Additional Considerations 207

Program Location 207*Universal Design and Accessibility* 207*Working With Community Organizations* 208*Funding* 209

Evaluation Strategies 209

Summary 212

Case Study 11-1 Facilitating Inclusive Teen Activities 212

Case Study 11-2 Collaborating With an Inclusive Community Organization 213

Learning Activities 213

SECTION IV Productive Aging 217**Chapter 12 Aging in Place and Home Modifications 217**

JANIE B. SCOTT, MA, OT/L, FAOTA, AND TRISH H. FOLEY, MOT, OT/L, CAPS

*Introduction 218**Community Living Options for Older Adults 219**55-Plus Communities 219**Assisted Living 220**Cohousing 220**Continuing Care Retirement Communities 220**Government Housing Programs 221**Independent Living Communities 221**Naturally Occurring Retirement Communities 221**Livable Community 221**Villages 221**Community Living Features for Aging in Place 221**Community Mobility 222**Employment and Volunteer Opportunities 222**Exercise and Recreation Facilities 223**Stores and Restaurants 223**Entertainment Venues 224**Health-Care Sites 224**Social Contexts 224**Support Services 224**Occupational Therapy and Aging in Place 225**Roles and Opportunities 225**Theories/Models 227**Evidence-Based Practice 227**Occupational Therapy Process for Home Modifications 227**Typical Home Modifications 231**Funding for Home Modifications 231**Occupational Therapy Considerations and Interventions 232**Universal Design 232**Interprofessional Collaboration 233**Summary 233**Case Study 12-1 Client-Centered Approach to Modifications 234**Case Study 12-2 Ethical Challenges Faced by Occupational Therapy Practitioners 235**Learning Activities 235***Chapter 13 Driving and Community Mobility 238**

ANNE E. DICKERSON, PhD, OTR/L, SCDCM, FAOTA, FGSA

*Introduction 238**Driving as an Occupation 239**Demographics Affecting Driving and Community Mobility 240**Roles of Occupational Therapy Practitioners in Driving and Community Mobility 240**Driving and Community Mobility as an Instrumental Activity of Daily Living 240**Stakeholders in Driving 242**Driving Rehabilitation and the Driver Rehabilitation Specialist 243**Levels of Driving Programs 245*

Screening and Evaluation of Driving and Community Mobility 248

Levels of Risk 248*OT-DRIVE Model for Community Practice* 249*Using Functional Observation* 251

Driving and Community Intervention 256

Interventions to Facilitate Returning to Driving 257*Vehicle Technology as an Intervention* 258*GPS Use for Wayfinding* 259

Transitioning to Nondriving 260

Summary 261

Case Study 13-1 Jeanne Dobson 261

Case Study 13-2 Greenville Medical Center 262

Learning Activities 262

Chapter 14 Low Vision Services in the Community 265

THERESA M. SMITH, PhD, OTR, CLVT

Introduction 265

Low Vision and Occupational Performance 266

Low Vision Rehabilitation Team 267

Occupational Therapy for Clients With Low Vision 268

Low Vision Practice Settings 268*Referrals for Occupational Therapy* 269

Interventions for Clients With Low Vision 269

Person 270*Environment* 271*Occupation* 271

Psychosocial Issues Associated With Low Vision 273

Low Vision Community Support 274

Funding and Billing Issues for Low Vision Occupational Therapy Services 274

Summary 274

Case Study 14-1 Mrs. Drew 275

Case Study 14-2 Low Vision Service Provision in an Assisted Care Facility 276

Learning Activities 276

SECTION V Work and Industry 279

Chapter 15 Community Ergonomics and Prevention of Work-Related Injuries 279

LYNNE MURPHY, EdD, OTR/L, AND PETER BOWMAN, OTD, MHS, OTR/L, OT(C), DipCOT

Introduction 280

Ergonomics Terminology and History 280

Areas of Ergonomic Consideration 281

Physical Demands 282*Cognitive Workload* 283*Psychosocial Factors* 285

Universal Design 286

Occupational Therapy Role in Community Ergonomics 286

Occupational Therapy Applications in Community Ergonomics 289

Home 290*Recreation and Public Sites* 291

<i>Education</i>	291
<i>Workplace</i>	292
Occupational Risks and Injury Prevention	292
Types of Ergonomic Controls	294
<i>Engineering Controls</i>	294
<i>Administrative Controls</i>	294
<i>Work Practice Controls</i>	294
Ergonomic Programs for Injured Workers	295
<i>Client Evaluation</i>	295
<i>Job Site Assessment</i>	295
<i>Work-Related Intervention</i>	296
<i>Program Development and Business Consultation</i>	298
Summary	298
Case Study 15-1 Mary	299
Case Study 15-2 Job Analysis	300
Learning Activities	301

Chapter 16 Work and Career Transitions 303

MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA, AND S. MAGGIE REITZ, PhD, OTR/L, FAOTA

Introduction	303
Work Transitions	304
Transitioning From School to Employment	305
Returning to Work Following a Disability	305
Becoming Unemployed	307
Transitioning From Active Duty to Civilian Employment	307
Changing Careers	308
Transitioning to Retirement	309
<i>Retirement Transition</i>	309
<i>Encore Careers</i>	310
<i>Bridge Employment</i>	312
<i>Legacy Planning in Employment and Volunteer Settings</i>	312
Volunteer Exploration and Participation	312
Summary	313
Case Study 16-1 Ted: Planning for Retirement	314
Case Study 16-2 The Ivy Center for Older Adults	314
Learning Activities	315

Chapter 17 Health Professional Well-Being 318

S. MAGGIE REITZ, PhD, OTR/L, FAOTA, MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA,
AND S. BLAISE CHROMIAK, MD

Introduction	318
Health-Care Worksite Risks and Risk-Reduction Strategies	320
<i>Injuries</i>	320
Risk-Reduction Strategies	322
<i>Infectious Diseases</i>	325
Risk-Reduction Strategies	325
<i>Stress</i>	326
Risk-Reduction Strategies	327
Improving the Well-Being of Health-Care Professionals	328
Health-Care Provider Well-Being Models	330

Prevention and Intervention Strategies	331
<i>Microsystem Individual-Level Strategies</i>	331
<i>Mesosystem Worksite/Organizational-Level Strategies</i>	334
<i>Macrosystems Periorganizational and Extraorganizational-Level Strategies</i>	337
Development of Theory-Based Health Professional Well-Being Programs	337
Summary	339
Case Study 17-1 Walking Meetings: Multitasking for Health	342
Case Study 17-2 Interdisciplinary Approach to Health Promotion for Health Professionals	344
Learning Activities	345

SECTION VI Mental Health 351

Chapter 18	Community Mental Health Programs	351
	RITA P. FLEMING-CASTALDY, PhD, OTL, FAOTA	
	Introduction	352
	Historical Overview	353
	Practice Models	354
	<i>Psychiatric Rehabilitation Model</i>	354
	<i>Recovery/Wellness Models</i>	354
	<i>Stress-Vulnerability/Coping-Competence Model</i>	356
	<i>Occupation-Based Models</i>	358
	Community-Based Programs and Services for People With Serious Mental Illness	358

	<i>Trauma-Informed Care</i> 410
	Community Practice Settings and Occupational Therapy Roles 410
	Meaningful Occupations of the Homeless 411
	<i>Perceived Barriers to Occupational Engagement</i> 413
	Theoretical and Conceptual Models 414
	<i>Ecological Model of Homelessness</i> 414
	<i>Empowerment Model</i> 414
	<i>Model of Occupational Empowerment</i> 415
	<i>Other Occupation-Based Models</i> 416
	Client-Centered Evaluation and Evidence-Based Intervention Approaches 417
	Evaluation 417
	Occupation-Based Interventions 418
	<i>Life Skills Training</i> 419
	<i>Enrichment of Occupational Repertoire</i> 420
	<i>Education and Employment Services</i> 421
	<i>Child and Family Services</i> 422
	<i>Transition to Stable Housing</i> 422

Summary	423
Case Study 20-1 Rachel	424
Case Study 20-2 Family Village	425
Learning Activities	425

SECTION VII **Rehabilitation and Participation** 429

Chapter 21	Community Reintegration Services for Military Veterans 429
	MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA, JEREMY FLETCHER, PT, DPT, OCS, MAJOR, U.S. ARMY RESERVE, AND JOHN F. KILPATRICK, MSW, LIEUTENANT COLONEL, U.S. ARMY RESERVE
	Introduction 430
	<i>Military Culture</i> 431
	<i>Recent Military Combat Deployments</i> 431
	Polytrauma 432
	<i>Mental Health Conditions</i> 433
	<i>Psychosocial Stressors</i> 434
	Reintegration Into Civilian Life 436
	<i>Transitions Model</i> 437
	<i>Reintegration Transitions for Veterans</i> 437
	<i>Reintegration Transitions for Families</i> 438
	<i>Importance of Veteran Peer Support</i> 439
	<i>Impact on Occupational Performance and Participation</i> 441
	Client-Centered Evaluation and Evidenced-Based Intervention Approaches 442
	<i>Evaluation</i> 444
	<i>Intervention</i> 446
	Occupational Challenges to Community Reintegration 447
	<i>Civilian Employment</i> 447
	<i>Return to School</i> 448
	A Population-Based Approach to Community Reintegration 449
	Summary 451
	Case Study 21-1 Michael 452
	Case Study 21-2 Veterans Initiative in Southwest Alabama 453
	Learning Activities 453
Chapter 22	Promoting Occupational Participation in Marginalized Populations 457
	STEPHEN B. KERN, PhD, OTR/L, FAOTA, S. MAGGIE REITZ, PhD, OTR/L, FAOTA, FRANCINE M. SERUYA, PhD, OTR/L, JILLIAN SILVEIRA, OTR/L, BETSEY C. SMITH, PhD, OTR/L, TONI THOMPSON, DROT, OTR/L, C/NDT, AND KEVIN KILKUSKIE, BA, MAT, GABRIELLA SANTOS, BS, AND ANTON NGUYEN, BA
	Introduction 458
	Theoretical Frameworks 459
	<i>Community Organization Approaches</i> 459
	<i>Participatory Occupational Justice Framework</i> 460
	Populations 460
	<i>Asylum Seekers, Refugees, and Other Migratory Populations</i> 460
	<i>Human Trafficking</i> 465
	<i>LGBTQ+ Communities</i> 468
	<i>Incarcerated Communities and Post-Released Populations</i> 472

Outcomes and Challenges of Occupation-Based Programs for Marginalized Populations	476
<i>Development of Occupation-Based Programs for Marginalized Populations</i>	477
Summary	477
Case Study 22-1 History and Recovery of a Survivor of Sexual Trafficking	478
Case Study 22-2 Malik and Safiya	480
Learning Activities	482

Chapter 23 Telehealth 488

RANELLE NISSEN, PhD, OTR/L

Introduction	488
Technology	489
<i>Formats and Delivery Methods</i>	489
Telehealth as a Service Delivery Model	489
<i>Service Delivery</i>	490
<i>Benefits</i>	492
<i>Limitations</i>	493
Ethical and Legal Issues	494
Role of Telehealth in Community-Based Practice and Population Health	495
<i>Applications Across Populations: Opportunities</i>	496
<i>Challenges</i>	498
Summary	499
Case Study 23-1 Vivian	499
Case Study 23-2 Alzheimer's Association	500
Learning Activities	500

SECTION VIII Health Promotion and Wellness 503

Chapter 24 Lifestyle Redesign® Programs 503

CAMILLE DIETERLE, OTD, OTR/L

Introduction	504
Lifestyle Redesign Defined	505
Development of Lifestyle Redesign	506
Key Components of the Lifestyle Redesign Intervention Created for the USC Well Elderly Study	507
Lifestyle Redesign Programs and Applications Since the USC Well Elderly Study	509
<i>Lifestyle Redesign Weight Management Program</i>	509
<i>Lifestyle Redesign for Diabetes</i>	512
<i>Lifestyle Redesign for Chronic Pain</i>	512
<i>Lifestyle Redesign for Chronic Headaches</i>	513
<i>Lifestyle Redesign for the College Student</i>	513
<i>Lifestyle Redesign for Mental Health</i>	514
<i>Lifestyle Redesign Interventions Outside of USC Settings</i>	514
Reimbursement for Lifestyle Redesign	514
Summary	515
Case Study 24-1 Linda	516
Case Study 24-2 Lifestyle Redesign for the College Student	516
Learning Activities	517

Chapter 25	Occupational Therapy in Primary Health-Care Settings 520
	MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA, AND S. BLAISE CHROMIAK, MD
	Introduction 520
	Primary Health-Care Services and Providers 521
	Health Promotion in Primary Care Settings 523
	<i>Diabetes</i> 524
	<i>Weight Management</i> 525
	<i>Chronic Pain</i> 526
	<i>Mental Health</i> 527
	Integration of Evidence-Based Health-Promotion Practices Into
	Routine Primary Care 529
	<i>Brief Office Interventions</i> 529
	<i>Health Literacy Interventions</i> 530
	<i>Chronic Disease Self-Management</i> 531
	Development of Evidence-Based Health-Promotion Programs
	for Primary Care 532
	<i>Marketing Occupational Therapy Services to Physicians in</i>
	<i>Primary Care</i> 534
	<i>Funding Occupational Therapy Services in Primary Care</i> 535
	Summary 536
	Case Study 25-1 Doris 536
	Case Study 25-2 County Health Department 537
	Learning Activities 538
Chapter 26	Disaster Preparedness, Response, and Recovery 541
	THERESA M. SMITH, PhD, OTR, CLVT, AND MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA
	Introduction 541
	Types and Stages of Disasters 542
	<i>Natural</i> 542
	<i>Technological</i> 543
	<i>Intentional</i> 543
	<i>Stages of Disaster</i> 544
	Roles of Governmental Agencies and Nonprofit Organizations 544
	<i>Governmental Agencies</i> 544
	<i>Nonprofit Organizations</i> 547
	Impact of Disasters on Occupational Performance and Participation 548
	Impact of Disasters on Mental Health 550
	Populations With Special Needs 552
	Role of Theory in Disaster Preparedness, Response, and Recovery 553
	Disaster Preparedness 553
	Disaster Response 554
	Disaster Recovery 555
	Summary 556
	Case Study 26-1 Lydia 556
	Case Study 26-2 Impact of Oil Spill Disaster on
	Occupational Engagement 557
	Learning Activities 558

Chapter 27 **Violence Prevention and Mitigation** 561

SUSAN CAHILL, PhD, OTR/L, FAOTA, JANIE B. SCOTT, MA, OT/L, FAOTA,
S. MAGGIE REITZ, PhD, OTR/L, FAOTA, AND LEAH K. COX, PhD

 Introduction 562

 Methods of Violence that Result in Death 562

Homicide 563

Suicide 565

 Populations and Settings 566

Families/Home/Domestic Violence 566

Bullying 577

Shootings 579

Workplace Violence 580

 Summary 586

 Case Study 27-1 Bully Mediation 586

 Case Study 27-2 Caregiver Stress 587

 Learning Activities 588

SECTION IX Looking Ahead 595

Chapter 28 **Future Directions in Community and Population Health Practice** 595

MARJORIE E. SCAFFA, PhD, OTR/L, FAOTA, S. MAGGIE REITZ, PhD, OTR/L, FAOTA,
AND PATRICIA A. CRIST, PhD, OTR, FAOTA

 Introduction 596

 An Ecological Worldview 597

 Creating Opportunities in Community and Population Health Practice 597

 The Future of Population Health 600

Sustainable Communities 600

Livable Communities 602

Thriving Professional Communities 608

 Diffusion of Innovations 610

 Future Trends 610

Artificial Intelligence, Virtual Reality, and Robotics 610

Three-Dimensional Printing 611

Globalization 612

 Implications for Professional Preparation and Education 613

Community Service Learning 614

Interprofessional Education 617

Clinical Prevention and Population Health Curriculum Framework 618

 Implications for Research in Community and Population Health Practice 619

 Envisioning the Future 620

 Summary 621

 Learning Activities 622

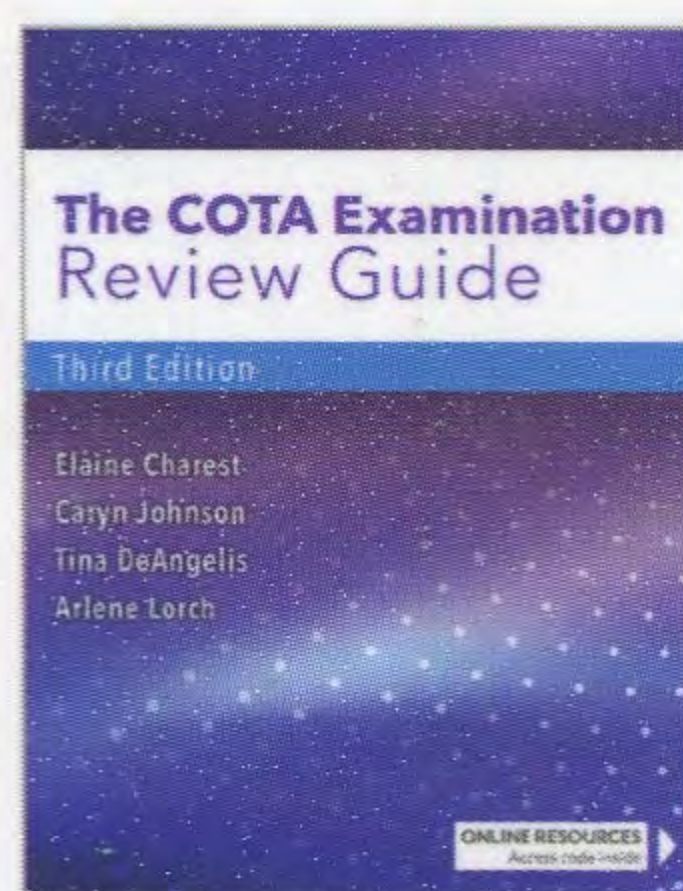

Index 627

Sit for your exams with confidence!

Very helpful.
"Passed NBCOT on the first attempt with the help of this book!"

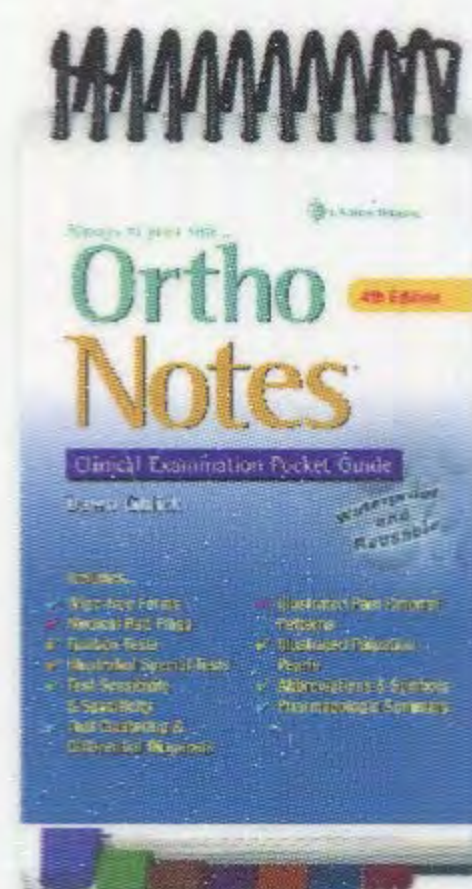

—Online Reviewer

Get this book!!!!
"You need this book. I passed the NBCOT on the first try with the guidance given from this book."

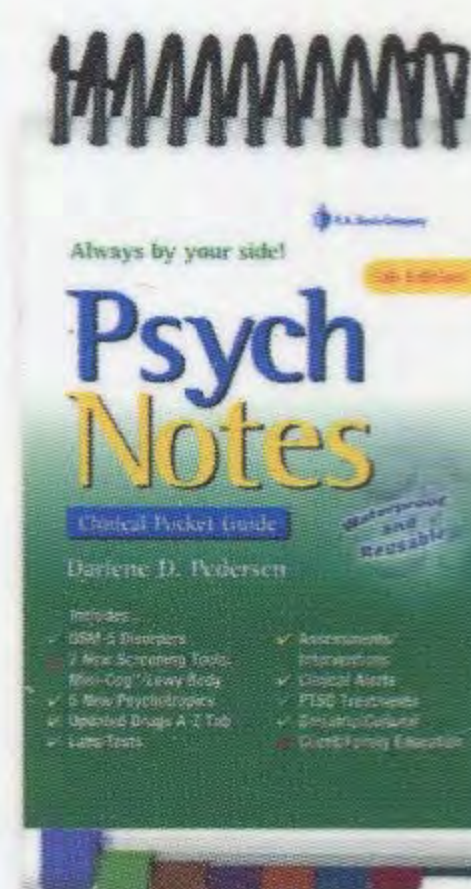

—Online Reviewer

Looking for more resources?

Awesome little guide!
"Great pocket guide to have handy. Contains tons of information including a lot of pictures to demonstrate special tests."

—Online Reviewer

Small pocket guide, Tons of information.
"An amazingly thorough psych book in an incredibly small size."
