## TRANSFORMING NURSING PRACTICE

Series editor: Mooi Standing

'Up to date and easy to read - these are the books that actually get used beyond training and into your nursing career.'

**EMMA LYDON, NURSING STUDENT**

### Why do you need this book?

- ☐ Strong communication and interpersonal skills are crucial to good nursing practice
- ☐ You need to communicate effectively with patients, their families and other healthcare professionals
- ☐ This book introduces you to key theories and concepts to develop these skills
- ☐ Scenarios and activities show you how to apply these skills on placement, and ace those assignments

**ALEC GRANT, PhD** was formally a Reader in Narrative Mental Health at the University of Brighton, and is now an independent scholar.

**BENNY GOODMAN** was formally a lecturer in Adult Nursing at Plymouth University, and is now an independent scholar.

**Transforming Nursing Practice is a series tailor made for pre-registration student nurses. Each book in the series is:**

- ✓ Affordable
- ✓ Mapped to the NMC standards of proficiency for registered nurses
- ✓ Focused on applying theory to practice
- ✓ Full of active learning features
