	Sovereign Debt: Default Risk, Interest Rates, and Austerity 452	
	Summary 455	
	Internet Resources 457	
PART 4	TAXATION: THEORY AND STRUCTURE	458
CHAPTER 13	The Theory of Income Taxation	458
	Comprehensive Income: The Haig-Simons Definition 459	
	A General Tax on Comprehensive Income: Economic Effects of a Flat-Rate Income Tax 464	
	Labor Market Analysis of Income Taxation 469	
	<i>Public Policy Perspective The Incidence of Payroll Taxes in the United States</i> 474	
	Taxation of Interest Income and its Effect on Saving 476	
	Market Analysis of Taxation on Interest and Investment Income 479	
	<i>Public Policy Perspective The Supply-Side Tax Cuts of the 1980s</i> 481	
	Summary 482	
	Internet Resources 484	
CHAPTER 14	Taxation of Personal Income in the United States	485
	The Tax Base: Basic Rules for Calculating Taxable Income and Why Much of Income is Untaxed 488	
	Tax Preferences 491	
	Tax Preferences Under the U.S. Income Tax System 495	
	Issues in Income Tax Policy 508	
	<i>Global Perspective Income Taxes and Economic Growth</i> 515	
	How Progressive are Federal Income Taxes? Effective Average and Marginal Tax Rates 516	
	<i>Public Policy Perspective Measuring the Progressivity of the Federal Personal Income Tax</i> 520	
	Summary 523	
	Internet Resources 524	
CHAPTER 15	Taxation of Corporate Income	526
	The Tax Base: Measuring Business Income 528	
	Separate Taxation of Corporate Income: Issues and Problems 530	
	<i>Global Perspective Tax Treatment of Multinational Corporations</i> 534	
	Reduction in Corporate Tax Rates in 2018 and Other Changes in Taxation of Business Income 536	
	Corporate Taxation throughout the World: International Comparisons 538	
	Short-Run Impact of the Corporate Income Tax 539	
	Long-Run Impact of the Corporate Income Tax 543	
	<i>Public Policy Perspective A New Way to Tax Corporate Income—The Corporate Cash Flow Tax</i> 548	
	Incidence of the Corporate Income Tax 549	
	Summary 551	
	Internet Resource 553	

CHAPTER 16	Taxes on Consumption and Sales	554
	Consumption as a Tax Base	555
	Direct Taxation of Consumption: The Expenditure Tax	556
	A Comprehensive Consumption Tax Base	560
	A General Tax on Comprehensive Consumption	563
	Impact on Efficiency in Labor Markets	565
	Sales Taxes	567
	Turnover Taxes	572
	Value-Added Taxes	572
	<i>Global Perspective Current Use of the VAT</i>	576
	Summary	578
	Internet Resources	580
CHAPTER 17	Taxes on Wealth, Property, and Estates	581
	A Comprehensive Wealth Tax Base	582
	Assessment of Property Value	585
	A Comprehensive Wealth Tax	585
	Selective Property Taxes	590
	Tax Capitalization	593
	Capitalization and The Elasticity of Supply of Taxed Assets	594
	Property Taxation in the United States	596
	<i>Public Policy Perspective Capitalization of Property Tax Rate Differentials</i>	597
	Land Taxes	602
	Property Transfer Taxes	604
	Summary	607
	Internet Resource	609
PART 5	STATE AND LOCAL GOVERNMENT FINANCE	610
CHAPTER 18	Fiscal Federalism and State and Local Government Finance	610
	Fiscal Federalism	611
	<i>Global Perspective Fiscal Federalism in the European Union</i>	613
	Centralized Versus Decentralized Government	614
	Citizen Mobility and Decentralized Government	616
	The Theory of Taxation Within a decentralized System	619
	Variation in Fiscal Capacity	622
	Intergovernmental Fiscal Relations	624
	The Theory of Grants	628
	Matching Versus General-Purpose Grants: An Application of the Theory of Collective Choice Under Majority Rule	629
	Education Finance	634
	Summary	639
	Internet Resources	641
	Glossary	642
	Name Index	650
	Subject Index	654
