## Part 1

### Understanding tourism 1

#### 1 Introduction to tourism: Themes, concepts and issues 2

Learning outcomes	2
Overview	2
Introduction	3
Tourism: A global activity	3
Tourism as an area of study	4
Tourism as part of a leisure spectrum	7
Tourism as an integrated system	8
Defining tourism	9
Insight 1.1: New forms of tourism: Medical tourism	14
Globalization and the production and consumption of tourism	16
Conclusion	18
Discussion questions	19
References	19
Further reading	20

#### 2 The evolution and development of tourism 22

Learning outcomes	22
Overview	22
Introduction	23
Tourism, history and the past: Its significance and analysis	23
The origins of modern tourism	26
The rise of mass domestic tourism and the seaside resort	27
Insight 2.1: The history of the Thomas Cook Company: Milestones in its development 1841–2019	29
Understanding the development of resorts in time and space: The resort lifecycle model	30
Tourism in the twentieth century: c.1900–1939	30
Insight 2.2: Holidays in inter-war Scandinavia	33
The Second World War and tourism	34
Tourism in the twentieth century: c.1945–1970	35
Insight 2.3: The Scandinavian tourism boom by air	36
Tourism in the twentieth century: Post-1970	36

Linking history and tourism: The rise of heritage tourism	39
Conclusion	40
Discussion questions	40
References	40
Further reading	41

#### 3 Understanding tourism demand 42

Learning outcomes	42
Overview	42
Introduction	43
The elements of tourism demand	44
Factors influencing demand in the tourist-generating area	45
Insight 3.1: BRIC countries: Emerging outbound markets	47
Insight 3.2: Taxing the tourist: Air Passenger Duty in the UK	49
Factors influencing demand in the tourist destination area	50
Other factors influencing tourism demand	51
Insight 3.3: Tourism demand and weather	56
Measuring tourism demand: Tourism statistics	56
Measuring demand: Problems and challenges	58
Establishing international tourism demand	60
Establishing demand for domestic tourism	62
Future demand for tourism	62
Conclusion	63
Discussion questions	64
References	64
Further reading	66

#### 4 Understanding the tourist as a consumer 67

Learning outcomes	67
Overview	67
Introduction	68
Motivation and decision-making in tourism	69

The tourist as a consumer 70  
 The experience economy and tourism 71  
 Tourist motives 72  
 Insight 4.1: Motivation to attend travel exhibitions 72  
 Theoretical and conceptual approaches to tourist  
 motivation 73  
 Tourist roles 75  
 Factors influencing tourist motivation 79  
 Insight 4.2: Conceptualizing household tourism  
 demand 81

Nationality and national identity 84  
 Tourism and work 84  
 Social class and income 85  
 Tourist motivation and segmentation 86  
 Conclusion 88  
 Discussion questions 89  
 References 89  
 Further reading 91

## Part 2

### Understanding the tourism industry 93

#### 5 Understanding and managing tourism supply: An introductory framework 94

Learning outcomes 94  
 Overview 94  
 Introduction 95  
 What is supply? 96  
 The determinants of tourism supply 96  
 The influence of global transnational companies 99  
 The tourism supply chain 101  
 Tourism business strategies and supply issues 105  
 Insight 5.1: easyJet's growth as a tourist supply  
 firm – a major success story of growth and  
 competition 107  
 Conclusion 111  
 Discussion questions 112  
 References 112  
 Further reading 113

#### 6 Technology and tourism: Themes, concepts and issues 114

**Marianna Sigala**

Learning outcomes 114  
 Overview 114  
 Introduction 115  
 ICT capabilities and their role in tourism organizations 118  
 Insight 6.1: Marriott uses celebrities to promote  
 renovations on Twitter 121  
 The use of ICT in the management of tourism  
 suppliers 121  
 Internet and tourism distribution chains: e-channels and  
 intermediaries 124  
 A typology of new tourism cyber-intermediaries 126  
 ICT, Internet and social media adoption 129  
 Destination Management and Marketing Systems  
 (DMSs) 130  
 Future technology developments 131  
 Conclusion 132  
 Discussion questions 132  
 References 132  
 Further Reading 133

#### 7 Travel intermediaries: Tour operators and agents 134

Learning outcomes 134  
 Overview 134  
 Introduction 135  
 Insight 7.1: Profile of the European tourist – implications  
 for travel retailing 136  
 The tour operator 137  
 The business of tour operation 139  
 Regulating tour operating 140  
 Insight 7.2: TUI AG – the world's largest integrated tour  
 operator 141  
 Insight 7.3: Airline and tour-operator insolvency in the  
 UK 145  
 The role of the 'new' consumer and future trends in tour  
 operating 147  
 Tour operating and consumerism 148  
 The business of tour operating: Developing the holiday  
 brochure 149  
 Travel agents and retailing 151  
 The evolution of travel agents 152  
 Travel agents: Roles and activities 152  
 Insight 7.4: Travel agencies in Australia 155  
 Business travel agents 156  
 The online travel revolution and the future of travel  
 agents 157  
 Conclusion 159  
 Discussion questions 159  
 References 159  
 Further reading 160

#### 8 Transporting the tourist 161

Learning outcomes 161  
 Overview 161  
 Introduction 162  
 Conceptualizing transport and tourism 162  
 Tourist travel modes: A global overview 164  
 Land-based transport 165  
 Water-based transport 171  
 Insight 8.1: Safety and security and cruise lines (Clare  
 Bowen, Paul R. Fidgeon, Stephen Page) 173

Air transport 176  
 Airline deregulation: Globalization  
 and alliances 178  
 The structure of the air transport sector 179  
 Low-cost airline growth: Expanding capacity versus  
 profitability 181  
 Terminal facilities and tourist travel 181  
 Future issues for tourist transport: Will it continue to be  
 used as a tool to expand tourism? 183  
 Conclusion 184  
 Discussion questions 185  
 References 185  
 Further reading 186

## 9 Visitor attractions 187

Learning outcomes 187  
 Overview 187  
 Introduction 188  
 The evolution of visitor attractions 188  
 Defining attractions 189  
 Classifications of attractions 190  
 Insight 9.1: Attraction of the coast: The role of coastal  
 heritage as a tourist attraction 192  
 Understanding the concept of visitor attractions 195  
 Influences determining the success of visitor  
 attractions 197  
 Themes and issues in the management of visitor  
 attractions 200  
 The future of visitor attractions 207  
 Conclusion 213  
 Discussion questions 213

References 213  
 Further reading 215

## 10 Tourism accommodation and hospitality services 216

Learning outcomes 216  
 Overview 216  
 Introduction 217  
 The hospitality industry 217  
 Defining the scope of the hospitality industry 217  
 Accommodation 219  
 Insight 10.1: The development of Surfers Paradise, Gold  
 Coast Queensland, Australia 221  
 Global trends in the accommodation sector 222  
 Insight 10.2: The evolution of the Chinese hotel industry  
 since 1980 225  
 Globalization and the accommodation sector 227  
 Hotel chains 227  
 Hotel management 229  
 Characteristics of the accommodation sector 230  
 Classifying the accommodation sector 230  
 Serviced accommodation 231  
 The non-serviced accommodation sector 233  
 Insight 10.3: Rethinking tourism accommodation: The  
 multi-ownership model 234  
 Non-accommodation hospitality services 235  
 Contemporary issues in hospitality management 236  
 Conclusion 239  
 Discussion questions 240  
 References 240  
 Further reading 241

# Part 3

## Managing tourist operations and communicating with the visitor 243

## 11 Human resource management in tourism 244

Learning outcomes 244  
 Overview 244  
 Introduction 245  
 So what do we mean by the term 'human resource  
 management'? 247  
 Agencies and HRM issues in tourism: International  
 perspectives 248  
 Insight 11.1: Human resource management and labour  
 planning issues for the UK hospitality sector 249  
 Tourism and HRM issues: The response and role of the  
 individual business 252  
 HRM issues in small tourism businesses 252  
 Managing HRM issues in the tourism sector in the new  
 millennium 254  
 Future issues in HRM and tourism 255  
 Insight 11.2: The future of work and implications for  
 tourism employment and holidays 257  
 Conclusion 258  
 Discussion questions 259

References 259  
 Further reading 260

## 12 Tourism and entrepreneurship 262

Learning outcomes 262  
 Overview 262  
 Introduction 263  
 Understanding the nature of entrepreneurship 263  
 Characteristics of entrepreneurs 264  
 Innovation, tourism and creativity 266  
 Insight 12.1: The role of Scottish Enterprise in driving  
 innovation in tourism 269  
 How do small tourism firms grow? 270  
 Public sector entrepreneurship: Intrapreneurship in  
 tourism 271  
 Strategies for SME innovation in tourism:  
 Collaboration 272  
 Travel and tourism entrepreneurs 273  
 Shifting the focus of entrepreneurship: Social  
 entrepreneurship and tourism 274

Insight 12.2: Social enterprises and tourism in sub-Saharan Africa 274  
 Conclusion 276  
 Discussion questions 276  
 References 277  
 Further reading 278

### 13 The role of the public sector in tourism 280

Learning outcomes 280  
 Overview 280  
 Introduction 281  
 Defining the public sector 281  
 Insight 13.1: The role of local authorities in tourism in Scotland 283  
 Tourism support role 284  
 Tourism operations role 284  
 Visitor attraction ownership 284  
 Tourism development and marketing 284  
 The rationale for public sector involvement in tourism 285  
 The role of the public sector in tourism 288  
 Tourism policy 290  
 The public policy framework for tourism 291  
 National tourism organizations 292  
 Insight 13.2: Destination management organizations (DMOs) and tourism 292  
 Marketing tourism and the NTO 294  
 Other agencies involved in tourism in the public sector 295  
 Public sector intervention in tourism 296  
 Conclusion 297  
 Discussion questions 297  
 References 298  
 Further reading 299

### 14 Marketing tourism 300

Learning outcomes 300  
 Overview 300  
 Introduction 301  
 The concept of marketing 301  
 Tourism marketing 302  
 Insight 14.1: The concept of perceived value in tourism marketing 303  
 The marketing planning process and the marketing mix 308  
 Insight 14.2: The role of price in international tourism marketing in Africa 309  
 Evolutions in marketing thinking on the 4 P's and shift to the 4 C's and rise of generational marketing 310

Insight 14.3: The marketing implications of Chinese cultural values 312  
 Knowing the customer 313  
 Competition 315  
 Planning for the future: Marketing planning and analysis 315  
 Approaches to marketing planning 318  
 Insight 14.4: Innovations in marketing theory and implications for tourism practice 319  
 Insight 14.5: The use of social media by destination marketing organizations (Stephanie Hays and Stephen J. Page) 320  
 Conclusion 322  
 Discussion questions 322  
 References 322  
 Further reading 323

### 15 Marketing tourism destinations 325

Learning outcomes 325  
 Overview 325  
 Introduction 326  
 The destination concept 327  
 Early forms of destination marketing 330  
 Insight 15.1: The establishment of the first National Tourism Organization, the New Zealand Tourist and Health Resorts (THR) in 1901 330  
 Formulating the destination marketing mix: The role of the DMO 331  
 Selecting a tourist destination 332  
 The tourist destination image 334  
 A model of destination image formulation 336  
 Insight 15.2: The impact of film and screen tourism as a form of destination promotion 338  
 Using destination imagery to gain competitive advantage 342  
 Communicating the destination image: The role of advertising 343  
 Advertising and tourism: An integral relationship? 344  
 The process of communicating the destination image 345  
 Destination branding 346  
 Insight 15.3: How small towns and cities can use an events programme to change their image: Place-making in action 347  
 Destination benchmarking 348  
 Conclusion 350  
 Discussion questions 350  
 References 351  
 Further reading 352

## Part 4

### The impact of tourism 353

### 16 Economic impacts 356

Learning outcomes 356  
 Overview 356

Introduction 357  
 What is economics? 358  
 Demand 359  
 Supply 360

The economic characteristics of the tourism sector 360  
 Economic benefits 361  
 Insight 16.1: Economic aspects of tourism in Cuba 362  
 Economic costs 365  
 Measuring the economic impacts of tourism 367  
 Tourism and economic development 370  
 Forecasting the future economic value of tourism to 2022 372  
 Conclusion 372  
 Discussion questions 372  
 References 373  
 Further reading 374

## 17 Social and cultural impacts 375

Learning outcomes 375  
 Overview 375  
 Introduction 376  
 The nature of sociocultural impacts 376  
 Factors influencing sociocultural impacts 378  
 The demonstration effect 379  
 The sociocultural effects of tourism 380  
 Host perceptions of impacts 381  
 Insight 17.1: New theoretical approaches to tourist–host encounters 381  
 Frameworks for measuring sociocultural impacts 382  
 Wider issues relating to social and cultural impacts of tourism 383  
 Tourism and local communities: Planning and management issues 384  
 Insight 17.2: The impact of tourism on ethnic women in North Vietnam 385  
 Community-based tourism 387  
 Conclusion 387  
 Discussion questions 388  
 References 388  
 Further reading 389

## 18 Environmental impacts 390

Learning outcomes 390  
 Overview 390  
 Introduction 391

The nature and scope of the environmental impacts of tourism 392  
 Insight 18.1: Pollution and adventure tourism on Mount Everest 397  
 Positive environmental impacts of tourism 400  
 Tourism, global warming and climate change 401  
 Conclusion 403  
 Discussion questions 403  
 References 403  
 Further reading 404

## 19 The challenge of sustainability 405

Learning outcomes 405  
 Overview 405  
 Introduction 406  
 Insight 19.1: Using nudge behaviour to address environmental problems – plastic use 407  
 The rise of environmental concern 409  
 Defining sustainability 412  
 What is sustainable tourism? 413  
 Sustainable tourism in practice 415  
 Sustainable tourism destination projects 416  
 Tourism businesses and sustainable tourism practice 417  
 Sustainability reporting 419  
 Business adoption of sustainable practices 420  
 The circular economy 420  
 Insight 19.2: Global environmental accreditation schemes in tourism: Greenwash or sustainable business practice? 420  
 Environmental guidance and criteria 421  
 Tools for sustainability 422  
 Insight 19.3: The ecological footprint as an indicator of sustainable tourism and its use to manage tourism 425  
 Public policy for sustainable tourism 426  
 Critiquing the Sustainable Development Goals 2015–2030: What role for tourism? 427  
 Policy and practice gaps in sustainable tourism 430  
 Difficulties in achieving sustainable tourism: Challenges for the future 435  
 Conclusion 436  
 Discussion questions 437  
 References 437  
 Further reading 440

# Part 5

## Trends and themes in the use of tourist resources 441

## 20 Urban tourism 443

Learning outcomes 443  
 Overview 443  
 Introduction 444  
 Urban tourism: A relevant area for study? 444  
 Insight 20.1: Tourism in a small historic city: Venice 445

Understanding the nature and concept of urban tourism: Theoretical debates 449  
 Urbanization and city status: National capital cities and world cities as tourist destinations 450  
 Place-marketing and selling in world cities 452  
 The market for urban tourism 453  
 Tourism and urban regeneration 456  
 The urban tourist experience: Behavioural issues 457

Tourist perception and cognition of the urban environment 458  
 Contemporary challenges for urban tourism destinations:  
 Protest and the anti-tourism movement 460  
 Conclusion 462  
 Discussion questions 463  
 References 463  
 Further reading 465

## 21 Rural tourism 466

Learning outcomes 466  
 Overview 466  
 Introduction 467  
 The nature and scope of rurality 468  
 Conceptualizing rural tourism 469  
 The growth of rural tourism 472  
 Impacts of rural tourism 473  
 Insight 21.1: Using rural tourism as a development tool:  
 The case of Laos 475  
 Sustainable rural tourism 475  
 The planning and management of rural tourism 476  
 Contemporary issues in rural tourism 479  
 Conclusion 480  
 Discussion questions 481  
 References 481  
 Further reading 483

## 22 Coastal and resort tourism 484

Learning outcomes 484  
 Overview 484  
 Introduction 485

Tourism at the coast 485  
 Insight 22.1: Coastal erosion and the impact of coastal  
 tourism – Holderness, Yorkshire, UK (R. Page) 486  
 The attraction of the coast 488  
 The evolution of coastal tourism 489  
 Insight 22.2: Calvià: An ageing resort with new hope for  
 the future 492  
 The impacts of coastal tourism 496  
 Protection of the coastal environment 497  
 Conclusion: The future of the coast 498  
 Discussion questions 499  
 References 499  
 Further reading 501

## 23 Tourism in the less developed world 502

Learning outcomes 502  
 Overview 502  
 Introduction 503  
 The concept of development and the emergence of  
 tourism in less developed countries 509  
 Tourism development 510  
 The nature of tourism in less developed countries 511  
 Insight 23.1: Bhutan: A sustainable route to tourism  
 development? 514  
 Impacts of tourism in less developed countries 516  
 Sex tourism in less developed countries 517  
 Tourism, less developed countries and small islands 520  
 Issues of equality in tourism in less developed  
 countries 522  
 Conclusion 524  
 Discussion questions 525  
 References 525  
 Further reading 527

# Part 6

## Managing tourism activities 529

## 24 Planning and managing the tourist experience 530

Learning outcomes 530  
 Overview 530  
 Introduction 531  
 The management and planning of the tourist  
 experience 531  
 Planning: What is it and does it exist in tourism? 533  
 Insight 24.1: Planning and small islands: Resort  
 development in Zanzibar – local community issues 533  
 The tourism planning process 535  
 The tourist experience: Concepts and issues for planning  
 and management 538  
 Evaluating the tourist experience 539  
 Service quality and the tourist experience 541  
 Haywood and Muller's tourist experience framework 542  
 Insight 24.2: Evaluating the tourist destination  
 experience 543  
 Human resource issues and the tourist experience 544

Conclusion 547  
 Discussion questions 547  
 References 548  
 Further reading 549

## 25 Tourist health and safety: Global challenges for tourism 550

Learning outcomes 550  
 Overview 550  
 Introduction 551  
 Conceptualizing tourist health and safety 551  
 Tourist well-being 552  
 Tourist health and safety problems and destinations 555  
 Insight 25.1: Tourist health problems and air travel 556  
 Tourist crime and safety in destination areas 557  
 Tourism, terrorism and political instability 558  
 Tourism and terrorism: Critical relationships 559  
 Managing tourist health and safety issues 562

Insight 25.2: The impact of 9/11 on the US tourism industry 563  
 Conclusion 565  
 Discussion questions 565  
 References 566  
 Further reading 567

## **26 Event tourism 568**

Learning outcomes 568  
 Overview 568  
 Introduction 569  
 Insight 26.1: The Routledge Handbook of Events 571  
 What is event tourism and why is it important? 572  
 The evolution of events 573  
 Conceptual issues and classifying events 574  
 Insight 26.2: Winter festivals 577  
 Event strategies 578  
 Understanding the impact of the events 580  
 Evaluating events and impacts 584  
 Conclusion 586  
 Discussion questions 586  
 References 587  
 Further reading 588

## **27 The future of tourism 589**

Learning outcomes 589  
 Overview 589  
 Introduction 590  
 Forecasting change in tourism 590  
 Insight 27.1: The senior market: A market opportunity for the global tourism industry? 591  
 Factors affecting the future shape of tourism trends 592  
 Political change 595  
 Technological change 595  
 Changing business practices 597  
 Hypercompetition and disruptive technologies 597  
 Global security and safety 597  
 Issues of concern to tourists 598  
 Decarbonizing tourism – is it possible? 600  
 Managing change in tourism 602  
 Last-Chance Tourism 603  
 Conclusion 605  
 Discussion questions 605  
 References 606  
 Further reading 607
