# Contents

<b>Introduction</b> . . . . .	1
References . . . . .	3
<b>Types of Psychological Assessments</b> . . . . .	5
Clinical Psychological Assessment . . . . .	5
Neuropsychological Assessment . . . . .	6
School Psychoeducational Testing . . . . .	7
Independent Educational Evaluation . . . . .	8
Court-Ordered Assessments . . . . .	8
<b>Referral Process</b> . . . . .	11
When to Refer for Psychological Assessment . . . . .	11
Individual Child/Adolescent . . . . .	11
Family Issues . . . . .	11
School Problems . . . . .	12
Program/Resource Eligibility . . . . .	13
“Intractable” Cases . . . . .	13
Specific Referral Questions . . . . .	13
Collegial Relationships . . . . .	14
Reference . . . . .	15
<b>Clinical Psychological/Neuropsychological Assessment Process</b> . . . . .	17
Request for Testing . . . . .	17
Initial Appointment . . . . .	18
School/Home Observation . . . . .	20
Professional Consultation . . . . .	20
Direct Assessment . . . . .	21
Interpretive Meetings . . . . .	22
Generation and Dissemination of the Written Report . . . . .	24
Follow-Up Consultation . . . . .	25
Reassessment . . . . .	25
Reference . . . . .	26

<b>School Psychoeducational Assessment Process</b> .....	27
Reference .....	28
<b>Report Interpretation</b> .....	29
Identifying Information .....	29
Background and Referral .....	30
Assessment Instruments .....	31
Review of Previous Evaluations .....	31
Behavioral Observations in Assessment Setting .....	32
Assessment Findings .....	33
Summary .....	33
Recommendations .....	33
Follow-Up .....	34
Appraisal of Report Usefulness .....	34
Further Considerations .....	36
Formal Diagnosis .....	36
Summary Section of Report .....	36
Commonly Encountered Scores .....	36
Standard Scores .....	37
Scaled Scores .....	37
T-Scores .....	37
Percentiles .....	37
Age/Grade Equivalents .....	37
<b>Intelligence</b> .....	39
Basic Definitions .....	39
Why Measure Intelligence? .....	40
Common Patterns of Difficulty .....	42
Intelligence Quotient = 140+, Very Superior .....	42
Intelligence Quotient = 130–139, Very Superior .....	44
Intelligence Quotient = 120–129, Superior .....	44
Intelligence Quotient = 110–119, High Average .....	45
Intelligence Quotient = 100–109, Average .....	46
Intelligence Quotient = 90–99, Average .....	47
Intelligence Quotient = 80–89, Low Average .....	47
Intelligence Quotient = 70–79, Borderline .....	48
Intelligence Quotient = 60–69, Mild Intellectual Disability .....	49
Intelligence Quotient = Below 60, Mild/Moderate/Severe/Profound Intellectual Disability (Committee to Evaluate the Supplemental Security Income Disability Program for Children with Mental Disorders et al., 2015) .....	50
Prominent Instruments .....	50
References .....	52

<b>Speech and Language</b> . . . . .	53
Basic Definitions . . . . .	53
Why Measure Speech and Language? . . . . .	53
Common Patterns of Difficulty . . . . .	54
Receptive Language Better Than Expressive Language . . . . .	54
Expressive Language Better Than Receptive Language . . . . .	55
Generalized Communication Problem . . . . .	55
Impaired Pragmatic Language and Unusual Prosody . . . . .	56
Single Word Vocabulary Better Than Fuller Language Usage . . . . .	56
Speech Production . . . . .	57
Prominent Instruments . . . . .	57
References . . . . .	58
<b>Visual-Motor Coordination</b> . . . . .	59
Basic Definitions . . . . .	59
Why Measure Visual-Motor Coordination? . . . . .	59
Common Patterns of Difficulty . . . . .	60
How Do We Help? . . . . .	60
Prominent Instruments . . . . .	61
Reference . . . . .	61
<b>Memory</b> . . . . .	63
Basic Definitions . . . . .	63
Why Measure Memory? . . . . .	64
Common Patterns of Difficulty . . . . .	64
Impaired Rote Recall/Short-Term Memory . . . . .	64
Working Memory . . . . .	65
Deficits in Long-Term Memory . . . . .	66
Prominent Instruments . . . . .	67
Reference . . . . .	67
<b>Attention and Concentration</b> . . . . .	69
Basic Definitions . . . . .	69
Why Measure Attention and Concentration? . . . . .	69
Common Patterns of Difficulty . . . . .	70
Impaired Ability to Focus Attention . . . . .	70
Inadequate Concentration . . . . .	71
Inappropriate Regulation of Attention . . . . .	71
How Do We Help? . . . . .	71
Prominent Instruments . . . . .	75
References . . . . .	76
<b>Executive Functioning</b> . . . . .	79
Basic Definitions . . . . .	79
Emotional Regulation . . . . .	79
Behavioral Regulation . . . . .	79
Cognitive Regulation . . . . .	80

Why Measure Executive Functioning? . . . . .	80
Common Patterns of Difficulty . . . . .	80
Impaired Emotional Regulation . . . . .	80
Impaired Behavioral Regulation . . . . .	81
Impaired Cognitive Regulation . . . . .	82
Prominent Instruments . . . . .	83
References . . . . .	84
<b>Academic Achievement</b> . . . . .	85
Basic Definitions . . . . .	85
Why Measure Academic Achievement? . . . . .	85
Common Patterns of Difficulty . . . . .	86
Learning Disorder . . . . .	86
Prominent Instruments . . . . .	89
References . . . . .	91
<b>Behavioral Functioning</b> . . . . .	93
Basic Definitions . . . . .	93
Why Measure Behavioral Functioning? . . . . .	93
Common Patterns of Difficulty . . . . .	94
Internalizing Behavior Problems . . . . .	94
Externalizing Behavior Problems . . . . .	95
Grossly Inappropriate Behaviors . . . . .	95
How Do We Help? . . . . .	95
Prominent Instruments . . . . .	100
References . . . . .	101
<b>Adaptive Behavior</b> . . . . .	103
Basic Definitions . . . . .	103
Why Measure Adaptive Behavior? . . . . .	103
Common Patterns of Difficulty . . . . .	104
Inadequate Fulfillment of Daily Life Demands . . . . .	104
Prominent Instruments . . . . .	106
References . . . . .	108
<b>Social-Emotional Functioning</b> . . . . .	109
Basic Definitions . . . . .	109
Issues of Concern to the Youngster . . . . .	109
Self-Concept/Self-Esteem and Interpersonal Relationships . . . . .	110
Feelings . . . . .	110
Coping Strategies . . . . .	110
Integrity of Reality Testing . . . . .	111
Why Measure Social-Emotional Functioning? . . . . .	111
Common Patterns of Difficulty . . . . .	111
Anxiety . . . . .	111
Depression . . . . .	112
Trauma . . . . .	112

Psychosis . . . . .	113
How Do We Help? . . . . .	113
Prominent Instruments . . . . .	117
References . . . . .	120
<b>Developmental Status . . . . .</b>	<b>123</b>
Basic Definitions . . . . .	123
Why Measure Developmental Status? . . . . .	123
Common Patterns of Difficulty . . . . .	124
Autism Spectrum Disorder . . . . .	124
