Contents

<i>List of figures</i>	vii
<i>List of tables</i>	viii
<i>Acknowledgements</i>	ix
 Introduction	 1
 1 Online Learning Needs Learning Analytics	 5
<i>The Importance of Learner Interaction in Online Learning</i>	5
<i>The Limitations of Traditional Interaction Research in Online Learning</i>	5
<i>The Utility of Attaching Importance to LMS Log Data</i>	6
<i>The Need for Applying Academically Sound Methods to Investigate Interaction Patterns</i>	7
<i>The Paucity of Learner Interaction Research in MPOCs</i>	8
<i>Definition of Key Terms</i>	10
 2 Traditional Learner Interaction Research in Online Learning	 14
<i>Online Learner Interaction Theory</i>	14
<i>Traditional Research on Online Interaction</i>	16
<i>Discussion</i>	18
 3 LMS Log Data Presenting Interaction Traces	 24
<i>Two Types of Interaction Data Recorded by LMSs</i>	24
<i>Temporal and Sequential Characteristics of Interaction Events</i>	26
 4 Interaction Research with Learning Analytics	 31
<i>Learning Analytics methodology</i>	31
<i>Interaction Research with Data from Discourse, Video, and Brainwave</i>	33

<i>Interaction Research with Log Data</i>	35
<i>Interaction Research with Log Data in Particular Topics</i>	39
<i>Discussion</i>	40

5 Massive Private Open Courses	52
<i>MOOCs vs MPOCs</i>	52
<i>Comparative Research of Interaction Patterns, the Lack of MPOCs</i>	53
<i>Summary</i>	55
6 Research Design of a MPOCs Case	59
<i>Background and Research Questions</i>	59
<i>Participants and Data Collection</i>	60
<i>Data Pre-processing and Analysis</i>	61
<i>HMMs Measures</i>	63
7 Results and Discussion Based on the Case	67
<i>Interpretations of HMMs Results</i>	67
<i>Answers for the Research Questions</i>	78
<i>Discussions Based on Four Research Questions</i>	83
8 Reflection and Consideration	87
<i>Implications for MPOCs</i>	87
<i>Reflections of the Paradigm Shift of the Research Method</i>	88
<i>Limitations and Future Plans</i>	91
<i>Index</i>	94
