CONTENTS

Foreword

xvii

SECTION I Introduction

I Core Clinical Competencies Today	5
Four Eras That Influenced Psychotherapy Practice	5
Era I	6
Era II	8
Era III	10
Era IV	12
Commentary	15
Definition of Terms	18
Competence and Competency	18
Competency vs. Skill	19
Capability	20
The Competency Movement in the Mental Health Disciplines	21
Five Mental Health Disciplines	22
Progress on the Adoption of Competency-Based Training	26
Commonality on Core Competencies	26
Core Competencies in Counseling and Psychotherapy	27
Conceptual Foundations	27
Relationship Building and Maintenance	27
Intervention Planning	28
Intervention Implementation	28
Intervention Evaluation and Termination	29
Culturally and Ethically Sensitive Practice	29
Interrelationship of Six Core Competencies	29
Journey Metaphor	30
Visual Representation	30
Concluding Note	31
References	32

SECTION II Core Clinical Competency I: Conceptual Foundations

2	Conceptual Maps and the Therapeutic Process	37
	Competency of Applying a Conceptual Map	38
	The "Tri-Y Model"	38
	Dynamic Approaches	39
	The Evolution of Dynamic Therapy	41
	Dynamic Perspective on Personality, Psychopathology, and Psychotherapeutic Process	43
	Cognitive-Behavioral Therapies	44
	Common Characteristics	44
	The Evolution of CBT	45
	Acceptance and Commitment Therapy	46
	Behavior Therapy	47
	Cognitive Therapies	48
	Schema Therapy	48
	Dialectic Behavior Therapy	49
	Cognitive-Behavioral Analysis System of Psychotherapy	50
	Mindfulness-Based Cognitive Therapy	50
	Pattern-Focused Therapy	51
	Cognitive-Behavioral Perspective on Personality, Psychopathology, and Psychotherapeutic Process	52
	Systemic Approaches	53
	System Concepts	53
	Structural Therapy	53
	Strategic Therapy	54
	Solution-Focused Approaches	54
	Systemic Perspective on Personality, Psychopathology, and Psychotherapeutic Process	55
	The Common Infrastructure in Psychotherapy Approaches	56
	Concluding Note	58
	Case of Geri	59
	References	59

SECTION III Core Clinical Competency 2: Therapeutic Relationship

3 Relationship Building	65
Assessment Competency and Intervention Planning	66
Establishing an Effective Therapeutic Relationship	66
Therapeutic Approaches	67
Cognitive-Behavioral Approaches	67
Dynamic Approaches	68
Systemic Approaches	70
An Integrative View of the Therapeutic Alliance	71
Therapist and Therapeutic Alliance	73
Developing a Therapeutic Alliance with Difficult Clients	75
Assessing Readiness and Fostering Treatment-Promoting Factors	76
Assessment of Treatment Readiness	76
Interventions to Optimize Readiness for Change	77
Common Factors in Psychotherapy	78
Client Resources	78
Therapeutic Relationship	79
Intervention Strategies and Tactics	79
Expectancy	79
Treatment-Promoting Factors and Strategies	79
Clinical Example: Fostering an Effective Therapeutic Alliance	82
Concluding Note	82
References	83
4 Relationship Maintenance	85
Competencies of Maintaining Effective Therapeutic Relationships	86
Recognizing and Resolving Resistance and Ambivalence	86
Cognitive-Behavioral Approaches	87
Dynamic Approaches	88
Systemic Approaches	88
Integrative Perspective on Resistance	90
Strategies for Resolving Ambivalent Resistance	91
Two-Chair Approach	91
Motivational Interviewing	91

Recognizing and Resolving Transference and Countertransference	92
Transference-Countertransference Enactments	93
Recognizing Transference and Countertransference	94
Dealing with Transference-Countertransference Enactments	94
Recognizing and Repairing Alliance Ruptures	95
Therapeutic Alliance Rupture and Strains	96
Differentiating Alliance Rupture from Resistance and Related Terms	96
The Experience of Alliance Ruptures	97
Differing Views of the Cause of Alliance Ruptures	98
Types of Alliance Ruptures	100
Strategies for Resolving Alliance Ruptures	100
Example: Maintaining the Therapeutic Alliance	100
Concluding Note	101
References	102

SECTION IV Core Clinical Competency 3: Intervention Planning

5 Case Conceptualization and Assessment	107
Assessment Competency and Intervention Planning	108
Case Conceptualization: Definition and Functions	108
Roles in Developing a Case Conceptualization	110
Deductive and Inductive Reasoning in Case Conceptualization	111
Three Types of Case Conceptualizations	114
Competence in Case Conceptualizations	116
Highly Competent Case Conceptualizations	117
Reasonably Competent Case Conceptualizations	117
Non-Competent Case Conceptualizations	118
Four Components of a Case Conceptualization	118
The Role of Assessment in Case Conceptualization	119
Perform a Comprehensive Assessment	119
Diagnostic Assessment	120
Theory-Based Assessment	121
Pattern-Based Assessment	123
Concluding Note	125
References	125

6	Case Conceptualization and Treatment Planning	129
	Case Conceptualization and Intervention Planning Competencies	130
	Specifying an Accurate Diagnostic Formulation	130
	DSM-5-TR Diagnoses	131
	Case Example of a Diagnostic Formulation	131
	DSM-5-TR Diagnoses	132
	Developing an Effective Clinical Formulation	132
	Case Example of a Clinical Formulation	135
	Developing an Effective Treatment Formulation	135
	Treatment Goal and Focus	136
	Predicting Obstacles and Challenges	136
	The Eight Most Common Patterns in Clinical Practice	136
	Case Example of a Treatment Formulation	137
	Prepare an Integrative Clinical Case Report	140
	Components of an Integrative Clinical Case Report	140
	Concluding Note	141
	References	142

SECTION V Core Clinical Competency 4: Intervention Implementation

7	General Implementation Strategies	147
	General Implementation Strategy Competencies	148
	Definition of Key Terms	148
	Establishing a Treatment Focus	149
	Maintaining the Treatment Focus	150
	Treatment Focus Considerations in Therapeutic Approaches	151
	Dynamic Therapies	152
	Cognitive-Behavioral Therapies	152
	Systemic Therapies	152
	Recognizing and Resolving Therapy-Interfering Factors	153
	Types of Therapy-Interfering Factors	154
	Case Illustration of Treatment Focus, Goal, and Strategy	155
	Concluding Note	156
	References	156

8	Dynamic Strategies and Interventions	159
	Insight-Promoting Strategy and Interventions	160
	Clarification	160
	Confrontation	161
	Interpretation	161
	Insight	162
	Working Through	163
	Corrective Emotional Experience	164
	Relational-Oriented Strategy and Interventions	165
	Therapeutic Strategy	165
	New Experiences	165
	New Understandings	166
	Working Through	167
	Coaching and Practice	167
	Concluding Note	168
	References	169
9	Cognitive-Behavioral Strategies and Interventions	171
	Cognitive Interventions	172
	Cognitive Strategy of Cognitive Restructuring	172
	Self-Monitoring	172
	Identifying the Strength of Beliefs	172
	Dysfunctional Thought Record	173
	Cognitive Disputation	174
	Examining the Evidence	174
	Cognitive-Behavioral Replacement	175
	Thought Stopping	175
	Behavioral Interventions	176
	Exposure	176
	Systematic Desensitization	176
	Eye Movement Desensitization and Reprocessing Therapy	178
	Behavioral Rehearsal	178
	Social Skill Training	179
	Assertiveness Training	179
	Problem-Solving Training	180
	Communication Skill Training	180

Ultra-Brief Interventions	181
Concluding Note	182
References	182
10 Systemic Strategies and Interventions	185
Interventions for Changing Relational Patterns	186
Interventive Query Strategy	188
Diagnostic-Linear Questions	189
Interventive Query Strategy Questions	189
Circular Questions	190
Reflexive Questions	190
Strategic Questions	191
Empowering Questions	191
Scaling Questions	192
Exception Questions	193
Outcome (Including Miracle) Questions	194
Coping Questions	195
Strategy for Utilizing Interventive Queries	195
Concluding Note	196
References	196

SECTION VI Core Clinical Competency 5: **Intervention Evaluation and Treatment**

II Outcome Assessment	201
Outcome Assessment Competencies	202
Another Type of Assessment: Treatment Monitoring	202
From Premature Termination to Positive Therapeutic Alliances and Treatment Outcomes	203
Training and Use of Outcome Measures	205
Treatment Outcomes and Process Assessment Scales	206
Polaris MH	206
OQ-45	207
Session Rating Scale	207

CONTENTS

Outcomes Rating Scale	208
Counseling Center Assessment of Psychological Symptoms (CCAPS-34)	208
Utilizing Supervision to Evaluate Treatment Progress	209
Treatment Monitoring in Three Therapeutic Approaches	210
Cognitive-Behavioral Therapies	210
Dynamic Psychotherapies	211
Systemic Therapies	212
Case Example	213
Concluding Note	213
References	214
 12 Termination	 219
Termination Competencies	220
Maintaining Treatment Gains	220
Research on Maintenance of Treatment Gains	221
Planning and Preventing Relapse	222
Self-Therapy	222
Preparing for Termination	223
Indicators of Readiness for Termination	223
Typical Scenario in Discussing Termination	224
Termination Considerations in Three Therapeutic Approaches	224
Dynamic Therapies	224
Cognitive-Behavioral Therapies	226
Systemic Therapies	227
A Case Illustration of Termination	228
Concluding Note	230
References	230
 SECTION VII Core Clinical Competency 6: Cultural and Ethical Sensitivity	
 13 Cultural Sensitivity	 235
Cultural Sensitivity Competencies	236
Definitions	236
Cultural Assessment	237

Developing Effective Cultural Formulations	240
Cultural Formulation	241
Models of Cultural Formulation	241
Developing a Cultural Formulation	242
Planning Culturally Sensitive Treatment	243
Types of Culturally Sensitive Treatments	243
Strategy for Selecting Culturally Sensitive Treatments	244
Case Examples of Cultural Formulations and Treatment Selection	245
Case 1: Geri	245
Case 2: Carlos	246
Case 3: Ivette	248
Concluding Note	250
References	250
 14 Ethical Sensitivity	 253
Ethical Sensitivity Competencies	254
Background Considerations: Ethical Sensitivity and Ethical Perspectives	254
Ethical Sensitivity	254
Training in Ethical Sensitivity	255
Three Ethical Perspectives	256
Perspective I	256
Perspective II	256
Perspective III	256
Ethically Sensitive Treatment Intervention Decisions	257
Ethically Sensitive Professional Practice Decisions	259
Ethical Sensitivity	259
Problem Identification	259
Information Gathering and Analysis	260
Decision Making	260
Decision Implementation	261
Practicing in an Ethically Sensitive Manner	261
Professional Competence	261
Confidentiality	262
Informed Consent	263
Conflict of Interests	264
Ethical Considerations and Perspectives	266
From Ethics Codes to Ethics Practice Guidelines	266
Ethics and Evidence-based Practice	266

CONTENTS

Case Example: Ethically Sensitive Treatment and Professional Practice	268
Decisions	268
Concluding Note	272
References	272

SECTION VIII Conclusion
