Table of Contents

Introduction

Chapter 1: Introduction to Occupational Therapy

Historical Roots of Occupational Therapy

What is Occupational Therapy?

Careers In Occupational Therapy

Seeking Help

Principles of Occupational Therapy

1. Commitment & Caring
2. Respect for Differences
3. Independence, Collaboration, & Community
4. Fairness
5. Dignity & Empathy

Chapter 2: Childhood Cognitive Disorders

Intellectual Disabilities

Clinical Characteristics of Intellectual Disabilities and Other Disorders

Classification of Severity

Reading Disorders: Dyslexia

Attention Deficit Hyperactivity Disorder (ADHD)

Predominantly Inattentive Type

Predominantly Hyperactive-Impulsive Type

Combined Hyperactive-Impulsive and Inattentive Type

Diagnosis and Treatment for ADHD

Global Developmental Delay (GDD)

Language and Speech Delays

Vision Developmental Delay

Motor Skill Delays

Social and Emotional Delays

Cognitive Delays

Chapter 3: Adult Cognitive Disorders

Environmental Deprivation

Fetal Alcohol Spectrum Disorders (FASD)

High-functioning Pervasive Developmental Disorders (PDD)

Transient or Continuing Life Stresses and Changes

Stress-Related Disorders

Post-Traumatic Stress Disorder (PTSD)

Major Depressive Disorder (MDD)

Anxiety Disorders and Generalized Anxiety Disorder (GAD)

Chronic Pain Syndrome (CPS)

Cognitive Effects of Grief and Loss

Chapter 4: Neurological Diseases, Injuries, and Disorders: Part I

Stroke

Traumatic Brain Injury (TBI)

Parkinson's Disease

Huntington's Disease

HIV/AIDS

Chapter 5: Neurological Diseases, Injuries, and Disorders: Part II

Alzheimer's Disease

Vascular Dementia

Rheumatoid Arthritis (RA)

Lupus

Diabetes

Chapter 6: Neurological Diseases, Injuries, and Disorders: Part III

Lyme Disease

Multiple Sclerosis (MS)

Chronic Fatigue Syndrome (CFS)

Chronic Obstructive Pulmonary Disease (COPD)

Chapter 7: Mental Health Disorders and Effects

Schizophrenia

Major Depressive Disorder (MDD)

Bipolar Disorder

Substance Use Disorder (SUD)

Chapter 8: Occupational Therapy and Cognitive Rehabilitation

The Role of Occupational Therapists

Cognitive Therapy Training (CTT)

Traditional Cognitive Retraining

Context-Sensitive Cognitive Intervention and Support

Global Strategy Learning and Awareness Approach

Domain-Specific Strategy Training Approach

Cognitive Retraining Embedded in Functional Activity Approach

Specific Functional Skills Training

Environmental Modifications and Use of Assistive Technology Approach

Metacognition

Metacognitive Approach to Instruction

Conclusion
